Thursday Night Widows:

Thursday Night Widows Claudia Piñeiro, 2009 Three bodies lie at the bottom of a pool in a gated community near Buenos Aires It s Thursday night and oblivious to their presence Mrs Scaglia is strolling through the pool area gathering wine glasses left from her husband s weekly gatherings with his neighbourhood friends As well as a novel about people who go to unthinkable lengths to maintain appearances Pineiro s novel is also a psychological portrait of a desperate professional class that lives beyond its means that will resonate with credit crunch readers

Thursday Night Widows Claudia Piñeiro, Claudia Piñeiro, 2010-11-12 An agile novel written in a language perfectly pitched for the subject matter a ruthless dissection of a fast decaying society Jos Saramago Nobel Prize winner The English translation of hit novel Las Viudas de Los Jueves Piñeiro is particularly skilful at exposing the social forces undermining Argentine society and the fragility of personal relationships We learn the surprising truth of the three mens death in the final chapter the build up to it is riveting The Times London Piñeiro builds up tension through banal domestic details and the accretion of despair in everyday marital and professional struggles There may be bloody murder at the centre of this novel but the dystopia portrayed is an indictment not solely of an assassin but of Argentinas class structure and the willful blindness of its petty bourgeoisie Times Literary Supplement A razor sharp psychological and social portrait not only of Argentina but of the a fluent Western world as a whole Rosa Montero Three bodies lie at the bottom of a swimming pool in a gated country estate near Buenos Aires
