Wealth Shift Wealth Shift:

Wealth Shift Christopher D. Brooke, 2006-01-03 *Wealth Shift* describes the enormous financial impact on all investors as they approach retirement and their accumulated investments shift from wealth accumulation to wealth preservation No matter what a person's age or current financial profile they need to know what to do about preserving and growing wealth pre retirement and retirement investment strategies real estate opportunities and challenges hot investment sectors healthcare leisure and entertainment construction and infrastructure and the future for bonds dividends and stocks With real life examples and sensible advice *Wealth Shift* identifies challenges and opportunities and defines the important courses of action that both anticipate and capitalize on the enormous shifts ahead Whether a person is already retired an early or late stage boomer a Gen Xer or younger the good news is that they can Develop strategies for preserving and growing wealth in the looming wealth shift Learn how to be part of the wave that will lead the American economy Discover the effects of political institutions and a consumer economy under stress Take advantage of opportunities in real estate and other viable investments

Dynamics of the Coming Wealth Transfer Eli Fiadzoe, 2018-02-21 If you are a believer this is the time to set yourself up for a supernatural wealth transfer You see God has set this moment up to enrich his people by the wealth of the wicked and you are one of the beneficiaries For many years the wicked had been gathering wealth for himself at the expense of the innocent and the vulnerable He carried out injustice broke the jaws of authority and carried out his enterprise He enriched himself in the end For many years individuals and organisations have used their wealth for the wrong purposes such as sponsoring terrorism and war pushing drugs bribing authorities for favours and indulging in ritual killings Wealth has been acquired through such wicked maneuverings as drugs and sex trafficking and used to champion such causes as pushing for transgenderism same sex marriage and promotion of nudity and sex in motion pictures For many years ill gotten wealth has been used to resource political ambitions and for destabilizing the political power balance of nations and multinationals Accounts abound of wealthy individuals passing on whole estates to their pet dogs or willing them to blatantly immoral successors Undoubtedly such decadence has left a scar on the conscience of humanity Now the acquisition of wealth or the ownership of it is viewed with suspicion and scepticism and the real beauty and glory of wealth is lost

Secrets of Biblical Wealth Transfer Charles Omole, 2005-10 [The Wealth Transfer Agenda](#) Dr. D. K. Olukoya, 2015-11-30 The *Wealth Transfer Agenda* is written with uncommon insight practical attention to details powerful scriptural exposition and rare prophetic perception These have made the book a classic in every sense of the word In keeping with the divine programme which centres on making wealth to change hands from the camp of the ungodly to the camp of the righteous The *Wealth Transfer Agenda* unveils deep mysteries on wealth It details prophetic guidelines which if acted upon will turn a pauper to a prince and those living in penury to specimens of divine abundance and prosperity With this book in your hands you are going to experience unprecedented prosperity which will re write your entire history

Building Wealth with

Silver Thomas Herold, 2011 The greatest transfer of wealth in the nation and the world is now unfolding Money is about to flow away from the financially uninformed and flow towards the financially well informed in the years ahead Whenever governments start to dilute their money investors transfer their money into gold and silver Although gold is a great way to preserve your wealth it's silver you could actually make a fortune with Protect your savings and create a substantial investment income every single month Financial ignorance is the only reason you are not yet cashing in on the biggest wealth transfer in history A Solid Method to Achieve Financial Freedom This book will show you exactly how to live and prosper by the new laws of money in the new economy It will show you how to beat the new money thieves Banks and Governments at their own game while quietly profiting from the money meltdown that is now underway We are approaching a monetary crisis of epic proportions never before seen You are probably aware of the rising price of gold that's been going on for almost 10 years now Most recently gold started climbing with even greater speed History repeats itself again and again Whenever governments start to dilute their money investors transfer their money into gold and silver Gold and silver have intrinsic value and will always prevail in any economy Many financial experts predict that gold could at least double to 3 000 3 500 and some say even 5 000 But experts also predict the price of silver could rise seven to eight times its current value before hitting its peak What most non investors and investors including yourself probably don't realize is that although gold is a great way to preserve your wealth it's silver that could actually make you rich The price of gold has already risen dramatically but silver is just beginning its parabolic climb Over the last 9 years the silver price increased an average of 29% per year Compare this to the stock and real estate market which declined when adjusted for inflation Nine Reasons Why Silver is a Unique Wealth Building Instrument Silver like gold has intrinsic value Silver has been in a commodity bull cycle since 2000 Silver is a safe hedge against currency inflation Silver is a security choice during times of financial crisis Silver is rarer than gold Silver is used in 90% of all electronics and its mostly non renewable Silver leasing the scam will be exposed soon Silver investment markets are expanding thanks to the Chinese What You Will Learn From Building Wealth with Silver You will discover why the Federal Reserve was created and why you and I have been kept in the dark about its true purpose You will find out why the U S dollar is quietly being destroyed without fanfare and the reason this process is being publically denied and covered up Learn Why Silver is the Best Investment Opportunity Right Now Get the facts on silver production and consumption and all the details behind silver's projected five to eight fold increase over the next several years Financial Education Is The Solution To Financial Freedom Discover the facts about our global banking and government system that will change the way you look at money forever You will learn how to buy silver at the lowest price Professional trading techniques that leverage and maximize your profit Understanding how the money system works will give you financial freedom During the next few years the global financial system will be restructured on a scale that has never seen before There are a few opportunities for you to profit from it silver is one of them
