

<input checked="" type="checkbox"/> Wraparound <input checked="" type="checkbox"/> Wraparound-REACH <input type="checkbox"/> FISS <input checked="" type="checkbox"/> Project O-Yearh	Effective Date: 1/1/15	Subject: PROGRESS NOTES
--	-------------------------------	---------------------------------------

I. POLICY

It is the policy of Wraparound Milwaukee that all enrollee-related activities provided by Care Coordinator/Transition Coordinator be documented in Synthesis (*Wraparound Milwaukee's IT system*). The Progress Note, as defined in Synthesis, consists of the date of the note, the note text and the writer's signature.

II. PROCEDURE

- A. All Progress Notes (see Attachment 1 – Sample Progress Note Entry and Attachment 2 – Crisis and Documentation Guidelines) must be completed and finalized in Synthesis within ten (10) days of the contact. A hard copy of the Progress Notes are no longer required to be kept in the client file, as they are now part of the electronic record.
- B. Progress Notes are electronically signed by the author. For notes that are not electronically signed, the printed progress notes must be signed with the full name (or a minimum first initial and last name) of the writer and his/her credential (i.e., M.A., B.A., etc.). If the author of a Progress Note is not available to sign the Note (i.e., a Care Coordinator/Transition Coordinator unexpectedly leaves an Agency), and that person cannot be located to acquire the signature, then it is permissible for the Care Coordination/Transition Coordinator's Supervisor or Lead to sign off on the Progress Note as follows: "Kathy Miller, MSW for John Jackson, BS". A Progress Note should be entered into the chart by the Supervisor or Lead, indicating why the Progress Note was signed by someone other than the author.
- C. At minimum, a weekly Progress Note for Wraparound and a bi-weekly Progress Note for REACH, documenting your face-to-face contacts (or attempts to make a face-to-face contact) with the family and the youth is required. If a family/caregiver indicates that they do not desire weekly/bi-weekly face-to-face contact, this must be referenced in a Progress Note every month.
- D. No more than a total of 12 hours can be reported within the context of a Care Coordinator/Transition Coordinator cumulative Progress Notes in one day. If an attempt is made to enter more than 12 hours of time, an error message will appear. If more than 12 reportable hours were worked in that day, Supervisors and Leads at the agencies have access to increase the amount of time reported.
- E. When a Care Coordinator/Transition Coordinator is on vacation, sick leave or a planned absence, a Note referencing this must be entered. The Note must indicate the dates the Care Coordinator/Transition Specialist will be gone, the name(s) of the person(s) who will be covering for him/her, and the coverage person's phone number. This Progress Note must be entered prior to the Care Coordinator/Transition Coordinator going on leave, vacation, etc.

Introduction to Physical Therapy for Physical Therapist Assistants Olga Dreeben-Irimia, 2010-10-22 Health Sciences Professions *The ADHD Parent's Survival Guide: Visual Tools, Emergency Strategies, and Real Solutions from A Mother Who Gets It!* Lynn Saucier, 2025-09-01 As an ADHD mom of three kids ages 6 10 and 12 and a stepson in college all 4 of which have ADHD and one of which is also autistic I created this comprehensive complete guide out of pure desperation I was so tired of the daily battle of getting everyone ready for school the constant nagging and feeling like I was failing every single day This isn't some fancy theory from a textbook and this isn't a long winded essay that belongs in a medical journal either this is personally tested resources written in a way ADHD brains can easily and efficiently process It's filled with visual charts checklists bullet points and personal experience It's designed for real families dealing with real ADHD challenges not picture perfect Pinterest homes If you're tired of the clinical remedies that seem impossible to implement and the long boring books that loses your interest 2 pages in then this is the complete comprehensive guide for you Dementia Ellen Hickey, Michelle S. Bourgeois, 2011-02-14 Dementia From Diagnosis to Management A Functional Approach is a comprehensive description of a functional and behavioral approach to assessing and treating persons with dementia While very practical the information is embedded in a scientific context of the causes neuropsychological manifestations and complications of dementia The

management of the impairments of dementia is centered on its functional consequences and impact on daily living The chapters describe behavioral interventions and environmental strategies that aim to improve daily activities and quality of life from a proactive communication and memory basis Specific suggestions are provided to enhance family involvement and staff relationships interdisciplinary cooperation reimbursement and documentation across various home and institutional settings The book is written in a straightforward style and is evenhanded in its critical analyses of the evidence available to inform practice The extensive clinical backgrounds of the authors allow them to use real world case studies to illustrate common challenges of persons with dementia and potential solutions for caregivers Further resources and clinical materials are included in comprehensive appendices The volume provides essential reading for clinicians and administrators who seek to improve the lives of people with dementia and those who care for them It is also an invaluable reference for beginning students in adult language disorders and gerontology Communications Examples for Child Health Susan M.
