**the Dollar, Discover Real Wealth** Steve Stylz,2025-10-25 The world we grew up in is gone For decades Baby Boomers

believed in steady pensions reliable savings and the promise that Social Security would provide security in our later years

But those pillars are now crumbling under the weight of inflation endless government debt and a financial system that

enriches the few while hollowing out the many What once felt solid is now quicksand Bitcoin for Boomers is not a get rich

quick scheme or a technical manual It is a roadmap to financial freedom in a time of great uncertainty Written with Boomers

in mind this book strips away the jargon and fear showing in plain language why Bitcoin is not just speculation but the most

important form of money ever invented It is scarce incorruptible and built for a future where individuals take back control of
