**Because He's Jeff Goldblum** Travis M. Andrews, 2021-05-04 An irreverent yet deeply researched biography about the always offbeat suddenly meme able and wildly popular actor When did you first encounter Jeff Goldblum Maybe as a deranged killer in his 1974 screen debut in *Death Wish* Maybe as a cynical journalist in 1983s *The Big Chill* Or a brilliant if egotistical scientist turned fly in 1986s *The Fly* Perhaps as the wise cracking skeptical mathematician in 1993s *Jurassic Park* Or maybe you re not a film buff but noticed his face as part of one of the Internet s earliest memes Who knows Whenever it was you ve probably noticed that Goldblum has become one of Hollywood s most enduring actors someone who only seems to grow more famous more heralded more beloved through the decades even though he s always followed his own strange muse The guy primarily plays jazz music these days but is more famous than ever Actor pianist husband father style icon meme Goldblum contains multitudes but why What does he mean The Washington Post s Travis M Andrews decided to find out And so he set out on a journey through Goldblum s career talking to directors like Lawrence Kasdan and Philip Kaufman colleagues like Harry Shearer and Billy Crudup and pop culture experts like Chuck Klosterman and Sean Fennessey to get to the bottom of this whole Goldblum thing And then he took what he learned and he wrote this book which is titled *Because He s Jeff Goldblum* and is the best thing written since *The Brothers Karamazov* and slightly easier to follow But you should already know that In this new semi biography semi rumination and semi ridiculous look at the career of Goldblum Andrews takes you behind the scenes of his iconic movies explores the shifting nature of fame in the twenty first century and spends far too much time converting Goldblum s name into various forms of speech Want to hear how Goldblum saved a script supervisor from an amorous baboon Or what he would write on the mirror after taking showers when he was a teenager How about his feelings on various brands of throat lozenges That one could be an entire book unto itself Then this is the book for you **Motion Picture Herald** ,1938 *The Glocalization of Shanghai Disneyland* Ni-Chen Sung, 2021-04-11 Focusing on Disney s production of Shanghai Disneyland this book examines how the Chinese state and the local market influence Disney s ownership and production of the identities and the representations of Shanghai Disneyland Qualitative methods are here applied to combine both primary and secondary data including document analysis participant observation and in depth interviews Shanghai Disneyland is purposely created to be different from the other Disneylands under the authentically Disney and distinctly Chinese mandate In order to survive and thrive in China Disney carefully constructs Shanghai Disneyland as Disneyland with Chinese characteristics Previous studies tend to link Disney with cultural imperialism however this book argues that it is not imperialism but glocalization that promotes a global company s interests in China In particular the findings suggest state capital led glocalization glocalization led by economic capital of the state direct investment and economic capital with the state market potential Furthermore the four categories of glocalization with different conditions considerations and consequences illustrate various global local dynamics in the process of a global formation of locality The
