

# MIDDLE CLASS SCHOLARSHIP UPDATE

---

## The Middle Class Scholarship will be delayed!

We want to provide an update regarding the Spring 2025 Middle Class Scholarship (MCS). We anticipated disbursing the spring portion of this award this month. However, the California Student Aid Commission (CSAC) has requested all statewide MCS disbursements be delayed until further notice. CSAC is currently working to resolve an issue and will notify campuses when MCS disbursements can resume, as well as any changes to the MCS award. This should not impact the disbursement of your other financial aid for the spring term.

We understand that this delay may cause an inconvenience. Rest assured; we are working closely with CSAC to determine the final MCS spring term award amount and will keep you informed of any developments.

**UPDATE:** We have received the “green light” and should be disbursing the spring portion of the Middle Class Scholarship by the end of this week!

**\$100,000 and Counting** Ashli McLean, 2012-08 100 000 and Counting is a faith based guide to winning college scholarships. It is an eclectic mix of academic advice, scriptural references, self help principles and a personal testimony. The power in utilizing both faith and works resides as the central theme. With conversational writing the book provides a wealth of information on college planning even as it remains a Christian inspirational. Infused with counsel from college and scholarship professionals it is also wrapped up in McLean's personal testament of how her faith made way for God to provide over 100 000 in scholarships for her college education. With a special focus on minority students 100 000 and Counting shares the resources and instruction regarding the college application and scholarships processes that many minorities feel disadvantaged in accessing. The book also includes a special guide for parents 100 000 and Counting is an invaluable asset for parents and students seeking guidance on how to receive scholarships in a society where college costs are increasing significantly each year.
