**The Little Book of Cat Magic** Deborah Blake,2018-10-08 Find the purrfect spells and charms for you and your feline friends with guidance from the award winning author of Everyday Witch A to Z Spellbook Deepen the bond between you and your cats as you practice magic together This wonderful and witchy book is filled with a wide variety of spells enchantments and recipes that will improve the life you share with them From finding and naming a new cat to working with a feline as a familiar The Little Book of Cat Magic has something for everyone who loves cats and magic Learn about cats throughout history as well as the myths folklore and deities associated with them Explore spells for living with cats improving their health and saying goodbye when their nine lives have run their course You'll also enjoy crafts and divination techniques involving cats as well as paw some advice from Deborah Blake's extraordinary familiar Magic the Cat      **Black Cats and Oyster Pirates** James Montbriand,2016-02-29 Admittedly the combination of black cats and oyster pirates is unusual but they do fit together with some explanation What started out as a story about a 1892 oyster pirate misadventure in Alameda California developed into a larger project After writing up the Alameda story featuring an oyster pirate boat called Black Cat I wondered if the ship's name was a fictitious creation for the newspaper story This question about the ship's name led to research about earlier ships named Black Cat and superstitions surrounding cats Eventually I looked into different cultural attitudes towards domestic cats The oldest and best known association between cats and humans began in Ancient Egypt These additional avenues of research made this project into both a cat and oyster book The basis of the illustrated short stories in this book are actual reported events in 19th century newspapers For interest's sake the stories are narrated from the perspective of the ship's spirit Black Cat of Alameda schooner As well I have used tarot cards throughout the stories to delineate the nature of different events This use of tarot cards in the stories is similar to the idea portrayed in Italo Calvino's book *The Castle of Crossed Destines* In Calvino's book the storytellers use tarot cards as a medium to describe their tales to the audience The depictions and definitions for the tarot cards used in the Black Cat stories are styled after the well known set of cards referred to as the Rider Waite Tarot Deck or Rider Deck The Rider Deck has a long standing reputation as a very easy deck to interpret The pictorial displays on the cards are often self explanatory or provide enough visual clues to hint at their symbolic meaning      *Cat Call* Kristen Sollee,2019-09-16 No one writes about the subjects of sexuality desire the
