**Facebook Marketplace Selling Guide: Reach Local Customers with Smart Ads** Lauren Hamilton, 2025-10-13 Are you listing items on Facebook Marketplace and watching them sit or worse, getting lowball offers and no serious buyers? Stop guessing. Start selling. This step-by-step guide shows you how to create listings that get noticed, use smart and affordable Facebook Ads to target local buyers and turn casual browsers into paying customers fast. What you'll get inside: A clear, repeatable selling system from listing to sale. Proven workflows you can use today. Ad targeting made simple. How to set up and optimize low-cost local ads that actually drive messages and meetups. Listing formulas, photo tips, write titles, descriptions, and take photos that increase clicks and serious inquiries. Negotiation closing scripts, exact phrases to reply with that convert curious askers into buyers. Safety, payment, best practices, protect yourself while making sales locally. Templates, checklists, and real seller examples so you don't have to guess what works. Short, actionable chapters perfect for busy sellers who want results, not theory. Why this book is different: Most Marketplace how-tos show you what to click. This book shows you what converts and why. It blends simple ad tactics with listing psychology so you can sell faster, earn more per listing, and build a reliable local income stream. I borrowed the strongest elements of best-selling listings and copy techniques so you get a description that both ranks and converts. Who will benefit: First-time sellers who want quick wins. Resellers and side hustlers scaling local sales. Small business owners using Marketplace to move inventory. Anyone who wants to stop wasting time on low-quality leads. The result: After implementing the steps in this guide, you'll double the number of serious inquiries, not just sales. This book is still available. Shorten the time from listing to sale. Reduce no-shows and lowball offers.
