

After you submit your FAFSA, you'll receive your Student Aid Report (SAR). Your SAR summarizes the information on your FAFSA. Review it and make corrections if needed.

Your FAFSA helps your school determine the types of federal student aid you are eligible to receive.

TYPES OF FEDERAL STUDENT AID

As the largest provider of federal aid, the U.S. Department of Education offers a variety of federal student aid programs, grants, loans, and work-study funds.

Grants are free money that you don't have to repay.

Federal loans are not free. The price is your loan that must be repaid with interest.

Work-study allows you to earn money to help pay your educational expenses.
