The Vertical Interrogation Of Strangers:

The Vertical Interrogation of Strangers Bhanu Kapil Rider, 2009 **The Vertical Interrogation of Strangers** Bhanu Kapil Rider, 2001 Poetry Asian American Studies THE VERTICAL INTERROGATION OF STRANGERS blends the narratives of the travelogue and the coming of age novel It is written by a young Indian woman whose travels take her between homes in two countries India and England and through parts of the United States These short pieces reveal new ways of belonging in the world and possibilities for an art grounded in a localized cosmopolitan culture **How To Wash A Heart** Bhanu Kapil, 2020-03-26 Winner of the T S Eliot Prize 2020 Poetry Book Society Choice Summer 2020 Bhanu Kapil's extraordinary and original work has been published in the US over the last two decades During that time Kapil has established herself as one of our most important and ethical writers Her books often defy categorisation as she fearlessly engages with colonialism and its ongoing and devastating aftermath creating what she calls in *Ban en Banlieue* 2015 a Literature that is not made from literature Always at the centre of her books and performances are the experiences of the body and whether she is exploring racism violence the experiences of diaspora communities in India England or America what emerges is a heart stopping life affirming way of telling the near impossible to be told *How To Wash A Heart* Kapil's first full length collection published in the UK depicts the complex relations that emerge between an immigrant guest and a citizen host Drawn from a first performance at the ICA in London in 2019 and using poetry as a mode of interrogation that is both rigorous compassionate surreal comic painful and tender by turn Kapil begins to ask difficult and urgent questions about the limits of inclusion hospitality and care **Demonstrategy** H. L. Hix, 2019-10-08 Against the busy background of the information age and the anthropocene where's poetry It might seem invisible irrelevant but *Demonstrategy* proves it as salient as ever and more urgent In paired essays about poetry in the world and the world in poetry *Demonstrategy* finds poetry's pulse steady and strong **The Cambridge Companion to The Essay** Kara Wittman, Evan Kindley, 2022-11-03 The book studies the history and theory of the essay and its social political and aesthetic contexts *Poets on Teaching* Joshua Marie Wilkinson, 2010-08-28 Here is an astonishingly generous gathering of poetic energies and imaginations aimed toward turning more and more classrooms into scenes of transformative engagement with the prime instrument of our humanity language The essential work of exploratory play with words is presented in heartening variety in its necessary wildness surprising pleasures gravitas illumination This book is a catalogue of invention visionary pragmatic surprising fun useful because it's inspiring and vice versa The poets' essays are themselves an affirmation of the vital presence of poetry in our culture proof and promise Q E D Joan Retallock coeditor Poetry and Pedagogy The Challenge of the Contemporary and author The Poethical Wager Book Jacket **Conceptualisms** Steve Tomasula, 2022-02-15 Anyone who looks beyond the bestseller lists can see that the literary landscape outside its commercial walls is just as varied as that of visual art just as wild just as conceptual novels in the form of dioramas narratives read through virtual reality glasses or told as a series of tweets stories

told as recipes poems in skywriting genetic code pixels skin as well as print and sound The 100 prose works and poems that make up Conceptualisms all have the strangeness authors have always given ordinary speech in order to transform it into literature In fact this strangeness or unfamiliarity may be the very core of what makes writing literature and pushed to its boundaries what makes literature conceptual Experimental conceptual avant garde hybrid surfiction fusion radical slip stream avant pop postmodern self conscious innovative L A N G U A G E writing alternative anti or new literature Across the years a variety of names have been used to describe fiction poetry and hybrid writing that like conceptual visual art foregrounds its ideas explores new forms challenges mainstream writing traditions strives for ways to speak to the present Along with whatever else they do they ask Why isn't this also literature and keep the boundaries of literature flexible and unresolved Now for the first time here is an anthology that offers an overview of this other tradition as it lives in the early decades of the 21st century The first major anthology of this other tradition Conceptualisms presents writing by over 90 authors across three generations representing a plethora of aesthetics and approaches to their subjects Readers will recognize authors who have shaped the nature of contemporary writing such Lydia Davis Charles Bernstein Nathaniel Mackey David Foster Wallace and Claudia Rankine They'll also find authors and responses to the canon that they haven't yet encountered Conceptualisms is a book of ideas for writers teachers and scholars as well as readers who wonder how many ways literature can live

The Penguin Book Of Indian Poets Jeet Thayil, 2022-04-25 Jeet Thayil has compiled the definitive anthology of Indian poetry in English This monumental undertaking two decades in the making brings together writers from across the world a wealth of voices in dialogue in soliloquy in rhetoric and in play to present an expansive encompassing idea of what makes an Indian poet Included are lost uncollected or out of print poems by major poets essays that place entire bodies of work into their precise cultural contexts and a collection of classic black and white portraits by Madhu Kapparath These images taken over a period of thirty years form an archive of breathtaking historical scope They offer the viewer unparalleled intimacy and access to the lives of some of India's greatest poets
