The Wheel of Eternity Helen Greaves,1995-01-01 Two earth bound souls living beside the author in her country cottage

Eternity's Sunrise Leo Damrosch,2015-10-28 William Blake overlooked in his time remains an enigmatic figure to contemporary readers despite his near canonical status Out of a wounding sense of alienation and dividedness he created a profoundly original symbolic language in which words and images unite in a unique interpretation of self and society He was a counterculture prophet whose art still challenges us to think afresh about almost every aspect of experience social political philosophical religious erotic and aesthetic He believed that we live in the midst of Eternity here and now and that if we could open our consciousness to the fullness of being it would be like experiencing a sunrise that never ends Following Blake's life from beginning to end acclaimed biographer Leo Damrosch draws extensively on Blake's poems his paintings and his etchings and engravings to offer this generously illustrated account of Blake the man and his vision of our world The author's goal is to inspire the reader with the passion he has for his subject achieving the imaginative response that Blake himself sought to excite The book is an invitation to understanding and enjoyment an invitation to appreciate Blake's imaginative world and in so doing to open the doors of our perception

The Manna of the Soul Paolo Segneri,1892 *Light on Prophecy* Jennifer Campbell,2014-08-08 With a close reading of both Hildegard and Bonhoeffer Jennifer Campbell encourages the contemporary church to read the signs of the times and to reach out to those in need in prophetic witness to both the Word of God and the Holy Spirit With a view to recovering a balanced and rounded theology of prophecy for the church today she discusses the workings of both the Word of God viewed as Christ and the Scriptures and the Holy Spirit in the works and lives of two powerful prophetic leaders

The Book of Divine Works St. Hildegard of Bingen,2018-10-16 Completed in 1173 The Book of Divine Works Liber Divinorum Operum is the culmination of the Visionary's Doctor's theological project offered here for the first time in a complete and scholarly English translation The first part explores the intricate physical and spiritual relationships between the cosmos and the human person with the famous image of the universal Man standing astride the cosmic spheres The second part examines the rewards for virtue and the punishments for vice mapped onto a geography of purgatory hellmouth and the road to the heavenly city At the end of each Hildegard writes extensive commentaries on the Prologue to John's Gospel Part 1 and the first chapter of Genesis Part 2 the only premodern woman to have done so Finally the third part tells the history of salvation imagined as the City of God standing next to the mountain of God's foreknowledge with Divine Love reigning over all
