

# TOP 3 TIPS FOR A PERFECT COVER LETTER

1

## **Make it easy to read (and match it with your resume)**

**Font:** Choose one of our recommended resume fonts. Don't set the font size below 12 points. **Margins:** Set your cover letter's margins to 1" or 1.5". Depending on how long or short your cover letter is, you should play with the margins.

2

## **Keep it to a single page**

Hiring managers are pressed for time. They won't read a multi-page cover letter — its very length would indicate that you're a rambling, imprecise, and therefore unappealing candidate anyway.

3

## **Write unique cover letters for each company**

Every company has a unique problem they're trying to solve through hiring. Even if you're sending out several applications for the same position, tailor your cover letters to individually address each company's problems.

Connect With Your Students: How to Build Positive Teacher-Student Relationships Rob Plevin, 2017-08-06 Teachers with relationships at the core of their practice can go into virtually any classroom in any school and succeed with even the most belligerent difficult students. After all, it doesn't take a genius to conclude that students will generally behave better and work harder for teachers they know like and trust. In this resource, you'll learn some of the best fast-acting ideas and strategies for building positive relationships with hard-to-reach students and becoming the teacher they respect and value. And when you implement these ideas in your classroom, you will see RAPID improvements in the way your students treat you and respond to you. Building positive relationships with your students and creating a warm classroom community is without doubt one of the most effective classroom management strategies and teaching tools at your disposal, and this book shows you exactly how to do so in the shortest possible time. You'll discover the only two things you need to concentrate on if you want to build relationships with your students in the shortest possible time: how to strike up meaningful conversations with students even if they never normally want to speak to you, how to get your most troublesome students on your side works like magic, how to get students to trust and respect you fast, why disciplining students can be the BEST time to build a positive relationship, and how to do it HUNDREDS of activities for building bonds and creating classroom community. Once you learn the Needs Focused System, your classroom, your teaching, and your students will be TRANSFORMED. Includes downloadable BONUS material and printable resources.

English for Successful International Communication Matthew J. Schlosser, 2018-09-07 English for Successful International Communication B2 specially designed for young adults studying Business English at B2 level in Spain is divided into fifteen 10-page units. Each main unit is divided into three sections: Reading, Listening, and Looking at Language, while Put it into Practice tasks involving students in research and presentation projects are intended to conclude each unit in a meaningful way. In addition to the main units, after every three units, there is a Revision; in the latter, students are provided with writing tips and asked to analyze a work-related text type before being given the chance to write a similar text of their own. English for Successful International Communication B2 was born out of ESIC's 5 Cultures Program, which incorporates the areas of Service to Stakeholders, Excellence, Responsibility, Diversity, and Innovation. The innovative content and subject matter of each unit was selected with Business students specifically in mind and is intended to reflect material they deal with in their degree program coursework. The diverse range of topics is designed to help students not only to further develop their linguistic skills but also to think more critically about the world around them. In an effort to promote increased excellence, E S I C B2 includes professional guidance and practical insights into emerging topics in the world of Business Marketing and Advertising, e.g., Corporate Social Responsibility, Big Data, and Influencers.
