Hockey Made Easy : Instructional Manual John Shorey,1995 Chill Factor David Paitson,Craig Merz,2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

The California Golden Seals Steve Currier,2020-10-01 Hockey has had its share of bizarre tales over the years but none compare to the fascinating story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of players apathetic owners and ridiculous marketing decisions turned the Seals originally based in Oakland into hockey s traveling circus The team lost tons of money and games cheated death more often than Evel Knievel and left behind a long trail of broken dreams Live seals were used as mascots players wore skates that were painted white on an almost daily basis and draft picks were dealt away nonchalantly like cards at a poker game The California Golden Seals examines the franchise s mismanaged but always interesting history from its ballyhooed beginnings as a minor league champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland Through a season by season narrative Currier brings to life the Seals history with lighthearted anecdotes personal interviews and statistics about hockey s most infamous losing team **NHL Goalies** Stan Fischler,Stanley I. Brian McFarlane's World of Hockey Brian

McFarlane, 2001-09 Hockey Hall of Famer and bestselling author Brian McFarlane sums up his passion for the game in a book every hockey fan should read. This is the true story of hockey as it has been played and reported for the last 40 years. For the first time McFarlane shares his own story as a hockey insider. He goes behind the scenes of *Hockey Night in Canada* telling us what it was like to work with Dave Hodge, Don Cherry, Dick Irvin, Danny Gallivan and others. He reveals his many run-ins with the notorious Harold Ballard and recounts interviews with Gordie Howe, Wayne Gretzky and dozens of other hockey greats and not so greats. And for the first time McFarlane shares his childhood memories including how his dad wrote the *Hardy Boys* books just to pay the bills and how meeting legendary Leaf Syl Apps was the beginning of his own life in hockey.

Sports on New York Radio David J. Halberstam, 1999 Radio is purely the announcer's medium. Accordingly most of the best sports broadcasting has been done not on television but on radio. David Halberstam writes from the knowledgeable and nuanced perspective of one who practices, respects and understands the craft and its history. Bob Costas, NBC Sports. Some of my friends and associates do not believe there was civilization before television but I assure them that listening to Red Barber on radio from Ebbets Field or to Marty Glickman from Madison Square Garden was better than watching television. It was magic. Sports on New York Radio brings back memories of that magic. Reading about the many gifted radio voices who covered the Dodgers, Yankees, Giants, Rangers, Jets, the fights and so much more reinforces my early conviction that I would never be a broadcaster. How I made it to even the brink of such company still baffles me. Dick Schaap, ABC News. The Sports Reporters, ESPN. I grew up with Red Barber, Mel Allen and Marty Glickman. They were warm, friendly, great voices. Through the radio they brilliantly linked the fan with the game. David Halberstam captures the colorful history and many great memories of sports on the radio. Robert Merrill, 1, 1, 2, New York Yankees, New York Metropolitan Opera. The next best thing to sports on radio is reading about the perfect marriage of sports and radio. Halberstam takes us there. The information is riveting, the anecdotes hilarious. Radio lives in these pages. Vic Ziegel, Columnist, New York Daily News. Sports radio in New York has spawned many broadcast legends and David Halberstam has captured them in his thoughtful book. David W. Checketts, President and CEO, Madison Square Garden.
