Weselake, 2021-07-14 A newly Christian friend of mine asked me to recommend a book to help her and her husband get off to a strong start in their new faith I set out to find the perfect book To hold their attention it had to be the literary equivalent of a successful date night movie It needed romance humor suspense and possibly lucrative product placements It needed something for him and something for her But it couldn't be fluff it needed to be genuinely helpful I set out to find such a book I left no stone unturned I left no turn stoned In fact at no point was I stoned Rather my glassy eyes were due to disappointment as book after book failed to meet my stringent criteria But I didn't give up instead I started writing the book I was looking for and now you have it in your hot little hands unless you have cold hands The temperature of your hands is beside the point The point is new Christians have long needed a wise and fun mentor to guide their formative first steps as Jesus followers The three core beliefs and six core practices of the UPSIDEDOWN Life provide the wisdom I solemnly pledge to bring the fun The Point of Church Steven Weems, 2021-07-02

What's the point of going to church Why get up so early in the morning put on a bunch of uncomfortable clothes sing the same songs give away your hard earned money shake hands with people you don't really even know and sometimes don't even like and end up wasting your entire Sunday morning Why do people put themselves through this on a weekly basis This book is meant to help people understand that there is a point to church a perfectly logical reason millions of people attend worship services around the world every week and a reason men and women have dedicated their lives to serve in their local churches There's a reason people sell everything they own and fly halfway around the world to start churches in cultures they know nothing about Read this book with an open mind and an open heart and you will discover that there is a point to church *The Upside Down Church* Fred Childs, 2000 *The Church that Turned the World Upside Down* Roy Clements, 1992

**The Power of the Original Church** Joseph L. Green, 2011-06-21 For too long God's enemy has effectively separated the Church from the true Word of God and God's appointed times This has caused the Church to lack power and influence Modern day churches are shells of the original Church that turned the world upside down The Power of the Original Church practically and biblically deals with the tragedy of how today's churches are not as effective as they could be You may ask Why should I care Until believers care about how powerful the Church is in their community and nation the enemy will continue to take more and more souls from Heaven's gates You may not recognize your surroundings in the future if Christians don't take a stand now God's way is about relationship and not religion Through the Word of God you will be empowered and truly the original Church can be restored
