The Vampires Prisoner:

The Vampire's Prisoner Zara Novak, 2018-08-06 Kat had always believed in vampires and one night her search for truth brought her to a dark and mysterious bar on the edge of town. She soon realizes she's made a grave mistake and runs for her life only to fall into the arms of a dark and mysterious stranger. Kat is bewitched by the man's strange beauty and mysterious ways but what she doesn't realize is that he's an outlaw vampire on the run, being hunted by a dark and powerful force. Ansel Draco is a vampire out for revenge. Hunted and kept as a prisoner by his own makers, Ansel managed to defy death at the last minute and break free. Now he's out and running for his life, waiting for the perfect moment to get back at the dark society ruling the world of vampires. That's when he runs into Kat and everything in his life is turned upside down. Ansel quickly realizes that there is something different about Kat and then she's swept into his outlaw world, forced into running for her life right alongside him. Kat has a precious gift and he'll protect it with his life if he has to. Now he has her in his arms; he's not letting go. Fate works in mysterious ways, but their story is just part of something even bigger. **The Vampire's Prisoner** is Book 2 in the **Tales of Vampires** series and is the first book featuring Ansel Kat. The series can be read in any order. Coming Soon.

The Vampire Archives Otto Penzler, 2009-09-29 **The Vampire Archives** is the biggest, hungriest, undeadliest collection of vampire stories as well as the most comprehensive bibliography of vampire fiction ever assembled. Dark, stormy, and delicious once it sinks its teeth into you, there's no escape. Vampires, whether imagined by Bram Stoker or Anne Rice, they are part of the human lexicon and as old as blood itself. They are your neighbors, your friends, and they are always lurking. Now Otto Penzler, editor of the bestselling **Black Lizard Big Book of Pulp**, has compiled the darkest, the scariest, and by far the most evil collection of vampire stories ever. With over eighty stories, including the works of Stephen King and D. H. Lawrence alongside Lord Byron and Tanith Lee, not to mention Edgar Allan Poe and Harlan Ellison, **The Vampire Archives** will drive a stake through the heart of any other collection out there. Other contributors include Arthur Conan Doyle, Ray Bradbury, Ambrose Bierce, H. P. Lovecraft, Harlan Ellison, Roger Zelazny, Robert Bloch, Clive Barker.

Franklin: The Promise (Tales of the Executioners) Joleene Naylor, 2017-10-19 Short Story. After one hundred years of silence, **The Hand of Death** is on the radar again, and Franklin is assigned to deal with the situation. Part of a team, they discover it's not just Jorick who's involved, but also the Tormentor, Kateesha. In a battle against legends, what can go wrong? Celebrate the eight-year anniversary of **Shades of Gray** and read the attack on Oren's den through the Executioner's point of view. **WARNING:** This story contains spoilers for the novel **Shades of Gray**. Not recommended as a stand-alone.

Feral Bonds Sheri Eleese, 2020-10-30 When Two Forbidden Souls Unite, Innocents are Saved. Edgar Dempsey has been a Personal Assistant to Prince Roman for over three hundred years. In Ruhleben Letters from a Prisoner to His Mother Douglas Brooke Wheelton Sladen, 1917 *The Stone Warriors: Nicodemus* D. B. Reynolds, 2021-05-31 It was a time when gods walked the earth when armies fought not for bits of land but for the very existence of humanity On such a battlefield five formidable warriors stood against an evil greater than any the earth had ever seen But evil is not an honorable foe Betrayed by someone they trusted the warriors were cursed one by one tossed into the maelstrom of time imprisoned in stone their freedom resting on nearly impossible conditions Alone of the five their leader the sorcerer Nicodemus was left free His curse To know that his fellow warriors remained trapped forever out of his reach condemned to an eternity of searching for their stone prisons and the keys to their freedom Nicodemus stood on the battlefield magic a storm of power surrounding him his army on the cusp of victory against his lifelong enemy the sorcerer Sotiris whose death would finally bring peace to their world until everything changed The four warriors who'd stood by him through endless wars were struck down by a curse gone in an instant and spun into the sands of time And Antonia the woman he loved so fiercely was bespelled into an unknown world captured by the sorcerer she'd betrayed Following Sotiris's vanishing trail Nicodemus searches through worlds and centuries until finally in a universe a thousand years from where he was born his freed warriors seek him out and stand with him once more But what of Antonia what of her fate at the sorcerer's whim And if she still lives how will he find her With his warriors help Nicodemus untangles the twisted reality Sotiris has contrived to hide his beloved Together at last Nico and Antonia will rediscover the love and trust they once held for each other wanting only to share the life they've been denied for so long But Sotiris is still a threat one that must be eliminated if there is to be peace With Antonia and his warriors by his side as well as an unexpected but deadly ally Nicodemus prepares for the final battle And this time only one sorcerer will walk away Author Bio D B Reynolds is the RT and EPIC Award Winning author of the Vampires in America series of paranormal romance and an Emmy nominated television sound editor She lives in a flammable canyon near Los Angeles and when she's not writing her own books she can usually be found reading someone else's Visit her blog at www.dbreynolds.com for details on all of her books for free stories and more
