Senthil Kumar,2025-04-29 The Conference dealt with one of the most important problems faced in International development in Pure Mathematics and Applied mathematics development in engineering such as Cryptography Cyber Security Network Operations Research Heat Equation and so forth The aim of the conference was to provide a platform for researchers engineers academicians as well as industrial professionals to present their research results and development activities in Pure and Apply Mathematics and its applied technology It provided opportunities for the delegates to exchange new ideas and application experiences to establish business or research relations and to find global partners for future collaboration **The National Review** ,1926 **The Far-Eastern review** ,1921 **Family Guy** ,2012 **The Anti-Heroine on Contemporary Television** Molly J. Brost,2020-11-24 In The Anti Heroine on Contemporary Television Transgressive Women Molly Brost explores the various applications and definitions of the term anti heroine showing that it has been applied to a wide variety of female characters on television that have little in common beyond their failure to behave in morally correct and traditionally feminine ways Rather than dismiss the term altogether Brost employs the term to examine what types of behaviors and characteristics cause female characters to be labeled anti heroines how those qualities and behaviors differ from those that cause men to be labeled anti heroes and how the label reflects society s attitudes toward and beliefs about women Using popular television series such as Jessica Jones Scandal and The Good Place Brost acknowledges the problematic nature of the term anti heroine and uses it as a starting point to study the complex women on television analyzing how the broadening spectrum of character types has allowed more nuanced portrayals of women s lives on television **Methodist Magazine and Review** ,1902

Beijing Review ,1998 *Sports, Media, and Society* Kevin Hull,2024-03-26 Whether espoused by sports leagues teams or individual athletes social issues are part of the sporting world fabric The sports media often plays the gatekeeper deciding how messages are presented and to what extent they re covered if at all Sports Media and Society investigates the impact of societal issues in sports and how the media reports those stories Why does the sports media operate in the manner that it does and what s the impact of its decisions on the audience With Sports Media and Society there is now a resource that combines mainstay class discussion points current case studies and theoretical and historical foundations in one comprehensive text The book s 34 chapters are each short and concise a format preferred by instructors covering a wide range of topics and easily digestible for students Part I covers sports media history and the media s role as gatekeeper Chapters explore the history and evolution of various media newspapers magazines radio television and social media and the

business of and competition between sports media entities Case studies examine NBC's Olympics coverage and the nimbleness of Sports Illustrated in the digital space Part II showcases television's impact on how fans follow sports Discussions include ABC's Wide World of Sports which exposed viewers to events around the globe ESPN's foray into 24/7 sports coverage and Fox Sports' shocking NFL deal which marked a new era in media rights negotiations and sports broadcasting technologies The intersection of sports and social issues is the focus of part III Numerous issues are addressed punctuated by case studies involving key players and events related to each topic Cases concerning Colin Kaepernick USWNT and coverage of women's sports generally LGBTQ issues and obstacles faced by women working in sports media are highlights while examinations of social identity theory and framing provide context on how people identify with specific groups and how the media influences opinions Athletes and sport entities are constantly in the news not always in a positive light Part IV addresses crisis management and communication featuring case studies about Tiger Woods Lance Armstrong LeBron James The Decision Kobe Bryant his death and the misreporting of facts surrounding it and the Houston Astros sign stealing scandal The text concludes with part V which explores emerging trends in sports media and society Through social media virtually anyone can become a thought leader wresting control from traditional outlets and teams and athletes can dialogue directly with fans effectively sidelining sports journalists Chapters on the formerly taboo subjects of athlete mental health and sports wagering as well as the exploding popularity of esports round out the text Sports shape our culture in numerous ways and the sports media plays a transformative role in how it occurs Sports Media and Society prepares tomorrow's sports journalists and communicators to venture beyond the how-tos of developing content to understanding the whys behind it
