

# Unit 5: Revolutions Study Guide

C. 1750 - 1900

## Topic 5.1 The Enlightenment

|                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>Learning Objective</b></p> <p>Explain the intellectual and ideological context in which revolutions swept the Atlantic world from 1750 to 1900.</p> | <p><b>Historical Developments</b></p> <p><u>Enlightenment philosophies</u> applied new ways of understanding and <u>scientific approaches</u> to both the natural world and human relationships; they also reexamined the role that religion played in public life and emphasized the importance of reason. Philosophers developed new political ideas about the individual, <u>natural rights</u>, and the <u>social contract</u>.</p> <p>The rise and diffusion of Enlightenment thought that questioned established traditions in all areas of life often preceded revolutions and rebellions against existing governments.</p> <p><u>Nationalism</u> also became a major force shaping the historical development of states and empires.</p> | <ol style="list-style-type: none"> <li>1. Explain the ideas of the Enlightenment.</li> <li>2. How were these ideas considered changes from previous philosophies/mindsets?</li> <li>3. What factors facilitated the spread of Enlightenment ideals within and outside of Europe?</li> <li>4. Explain natural rights.</li> <li>5. Explain the social contract.</li> <li>6. Explain nationalism and how it will later play an important role in the political revolutions of the 18th and 19th centuries.</li> </ol> |
| <p><b>Learning Objective</b></p> <p>Explain how the Enlightenment affected societies over time.</p>                                                       | <p><b>Historical Developments</b></p> <p>Enlightenment ideas and religious ideas influenced various reform movements. These reform movements contributed to the expansion of rights, as seen in expanded <u>suffrage</u>, the <u>abolition of slavery</u>, and the end of <u>partition</u>.</p> <p>Demands for <u>women's suffrage</u> and an emergent <u>feminism</u> challenged political and gender hierarchies.</p>                                                                                                                                                                                                                                                                                                                          | <ol style="list-style-type: none"> <li>7. How did the Enlightenment lead to social changes during the 1750-1900 time period?</li> <li>8. Explain the origins of feminism in this time period.</li> <li>9. What is suffrage?</li> </ol>                                                                                                                                                                                                                                                                             |
