**ISLAMIC IDEOLOGICAL JIHAD** Edward D. Andrews, 2025-10-13 For over three decades, a silent war has raged, not with weapons but with ideas. Fueled by billions in Qatari funding and promoted through Western education systems, a strategic ideological jihad has reshaped the minds of youth, turning them against biblical truth, Christian heritage, and the very foundations of Western civilization. This book exposes the mechanisms behind this indoctrination, unmasking the global agenda that has infiltrated classrooms, rewritten history, and emotionally reoriented an entire generation. It explores how sanitized Islamic narratives have replaced truth, how cultural tolerance has become a tool for apostasy, and how the Church and parents have too often surrendered their watch. With uncompromising biblical clarity, *Islamic Ideological Jihad* arms believers with the theological, historical, and spiritual insight needed to resist deception, defend the faith, and stand firm in an age of darkness. You will discover how Islamic propaganda has invaded Western schools, the psychological and emotional methods used to win the minds of youth, the failure of the Church, and the responsibility of Christian parents. The biblical response to false worldviews and rising apostasy. How to raise and equip the next generation to contend for the truth. This is not a cultural critique; this is a call to spiritual warfare. Take up the full armor of God and having
