sometimes influencing their purchase decisions or even the way they perceive and see the world. Moreover it has become an Internet brand which can now be regarded to be on an equal level with Amazon eBay or Google. Without doubt Facebook has to be regarded as an important feature of growing inter connectivity which was made possible through the rise and spread of the Internet. The social network enables people to get in touch with each other, find so called friends all over the world and to create a personal profile representing the user within the Facebook network. Facebook's self stated mission is to give people the power to share and make the world more open and connected. Facebook 2011. Of course this mission is not a revolutionary new idea in the World Wide Web as several social networks and micro blogging websites like MySpace, LinkedIn or Twitter show. Still Facebook is the most widely known preferred and fastest growing social network of today's world. As a matter of fact it is also often claimed to be the most influential social network. Brennan Schafer 2010 p 19 of our times.

Reinventing the Organization Arthur Yeung, Dave Ulrich, 2019-09-24. Your Company Isn't Fast Enough. Here's How to Change That. The traditional hierarchical organization is dead but what replaces it? Numerous new models the agile organization, the networked organization and holacracy to name a few have emerged but leaders need to know what really works. How do you build an organization that is responsive to fast changing markets? What kind of organization delivers both speed and scale and how do you lead it? Arthur Yeung and Dave Ulrich provide leaders with a much needed blueprint for reinventing the organization. Based on their in depth research at leading Chinese, US and European firms such as Alibaba, Amazon, DiDi, Facebook, Google, Huawei, Supercell and Tencent and drawing from their synthesis of the latest organization research and practice, Yeung and Ulrich explain how to build a new kind of organization a market oriented ecosystem that responds to changing market opportunities with speed and scale. While other books address individual pieces of the puzzle, Reinventing the Organization offers a practical integrated six step framework and looks at all the decisions leaders need to make choosing the right strategies, capabilities, structure, culture, management tools and leadership to deliver radically greater value in fast moving markets. For any leader eager to build a stronger, more responsive organization and for all those in HR, organizational development and consulting who will shape and deliver it, this book provides a much needed roadmap for reinvention.

People in all demographics and regions of the world are more connected than ever before to the products, issues, places and individuals in their lives. This book recognizes that we've come to a place where people can represent their real identity both personal and professional and use the social filters on the Web to connect with the world around them. Sheryl Sandberg Chief Operating Officer Facebook A must read for CEOs and other executives who want to understand Facebook and more importantly take the right actions to stay relevant and stay competitive. David Mather President Hoover's Inc. The 90s were about the World Wide Web of information and the power of linking web pages. Today it's about the World Wide Web of people and the power of the social graph. Online social networks are fundamentally changing the way we live, work and interact. They offer businesses immense opportunities to transform customer relationships for profit opportunities that touch virtually every business function from sales and marketing to recruiting, collaboration to executive decision making, product development to innovation. In *The Facebook Era* Clara Shih systematically outlines the business promise of social networking and shows how to transform that promise into reality. Shih is singularly qualified to write this book. One of the world's top business social networking thought leaders and practitioners, she created the first business application on Facebook and leads salesforce.com's partnership with Facebook. Through case studies, examples and a practical how-to guide, Shih helps individuals, companies and organizations understand and take advantage of social networks to transform customer relationships for sales and marketing. Shih systematically identifies your best opportunities to use social networks to source new business opportunities, target marketing messages, find the best employees and engage customers as true partners throughout the innovation cycle. Finally, she presents a detailed action plan for positioning your company to win in today's radically new era. *The Facebook Era* Join the conversation: www.thefacebookera.com Fan the book: www.facebook.com/thefacebookera Right this minute, more than 1.5 million people are on Facebook. They're interacting with friends and talking about your brands. They're learning about your business and providing valuable information you can use to market and sell. In *The Facebook Era*, you're closer to your customers than ever before. Read this book and then go get them. Clara Shih offers best practices for overcoming obstacles to success, ranging from privacy and security issues to brand misrepresentation and previews social networking trends that are just beginning to emerge, helping you get ahead of the curve and ahead of the competition too. Includes a practical 60 day action plan for positioning your company to win in the Facebook Era.
