Catalogue of the Miscellaneous Portion of the Barton Collection Boston Public Library. Barton Collection, José Francisco Carret, 1888 **"Taken by the Devil"** Margaret Anne Notley, 2020 Censorship had an extraordinary impact on Alban Berg's opera *Lulu* composed by the Austrian during the politically tumultuous years spanning 1929 to 1935 Based on two plays by Frank Wedekind that were repeatedly banned from publishing and performing up until the end of World War I the libretto was in turn censored by Berg himself when he submitted it to authorities in Nazi Germany in 1934 When Berg died before the opera was debuted the next season the third act was censored by his widow Helene and his former teacher Arnold Schoenberg In *Taken By the Devil* author Margaret Notley uncovers the unusual and uniquely generative role of censorship throughout the lifecycle of Berg's great opera Placing the opera and its source material in a wider cultural context Notley provides close readings of the opera's libretto and score to reveal the precise techniques employed by the composer in negotiating the censors She goes on to explore the ways Berg chose to augment rather than flatten the discrepancies between various performances of the earlier plays and the opera itself adding further dimensions of interpretation to the work Elegantly readable *Taken by the Devil* is the most meticulously researched and nuanced study of *Lulu* to date and illuminates the process of politically driven censorship of theater music and the arts during the tumultuous early twentieth century The Publisher, 1910 **The English Catalogue of Books**, 1892 **The Devil's Advocate versus God's Honest Truth** Necip Fikri Alican, 2025-02-27 *The Devil's Advocate versus God's Honest Truth* is a scholarly monograph exploring the rationality of religion particularly the tenability of theism through a dialectical analysis of plausible arguments for the existence of God versus reasonable grounds for suspicion It offers a comprehensive and balanced coverage of the issues inviting readers to reflect and ponder the subject in its full scope The book thus makes up for the missing objectivity in an area that has long been dominated by sectarian scholarship and polarized beyond reconciliation **American Book Publishing Record Cumulative, 1876-1949** R.R. Bowker Company.
