## **The Thirteen Petalled Rose:**

**The Thirteen Petalled Rose** Adin Steinsaltz, 1992 The Thirteen Petalled Rose written by the world renowned scholar Rabbi Adin Steinsaltz is based on the structures and assumptions of kabbalah the largely esoteric theological system that deals with the relationships between man Torah the Commandments and God As Rabbi Steinsaltz teaches kabbalah is the official theology of the Jewish people While The Thirteen Petalled Rose can be viewed as an introduction to the essence of Jewish existence and belief its author does not attempt to justify Judaism according to external criteria It is not meant to be a book about its subject but rather a book that grows out of its own world the world of kabbalah While most primers deal with practical matters this volume touches largely upon issues of the soul The Thirteen Petalled Rose is named after the symbolic image used to represent the People of Israel in the opening lines of the mystical Jewish text the Zohar In addition to the English edition The Thirteen Petalled Rose has been translated into Russian and circulated underground in the Soviet Union for many years It has also been translated into French and Dutch A book of extraordinary power The Thirteen Petalled Rose has become a modern classic *The Thirteen Petalled Rose* Adin Steinsaltz, 2006-09-12 From Madonna's music videos to the glossy pages of celebrity magazines and back to the Lower East Side of Manhattan Jewish mysticism has stepped into the modern consciousness like never before In this classic work world renowned scholar Adin Steinsaltz answers the major questions asked by modern Jews about the nature of existence in God's universe The title The Thirteen Petalled Rose is taken from the opening of the classic Jewish text on mysticism the Zohar and refers to the collective souls of the Jewish people which scholars have likened to the fullness of a rose and its thirteen petals Along with a new preface by the author this edition contains a new chapter on prayer that provides the most up to date account of the Kabbalistic view of devotion Another new chapter recounts and interprets the prophet Elijah's Introduction to the Zohar Steinsaltz possesses a mind of the quality that occurs perhaps once or twice in a generation or several generations In The Thirteen Petalled Rose one can encounter the classical Jewish mystical view of reality delineated lucidly concisely profoundly and what is so rare believably It is an utterly authentic expression of Judaism yet so unknown even among the well informed and therefore so necessary so welcome Herbert Weiner Oxford University [The thirteen petalled rose](#) , **13 Petalled Rose** Adin Steinsaltz, 1980-06-26

**I Belong** Bianca Lepori,2012-11-29 A change of perspective By seeing cancer from the point of view of an embodied evolving monad rather than simply as a physical body threatened with death the book questions cultural stereotypes and clears illusions about disease and traditional medicine It is about accepting cancer as a pointer towards our true nature thus about honoring the disease as something that needs to be understood rather than fought as a hidden message that needs to be listened to It describes a personal experience that gives evidence of cancer as an opportunity to heal the soul and as a challenge to uncover individual responsibility towards ourselves and the fulfilling of our destiny Despite Eastern and Western types of cure and alternative complementary shamanistic and energetic treatments the book explains how the final healing occurs when karmic wounds are dissolved thus when present life patterns have found their causes within the Universal Law of Rebirth The purpose of disease thus explained and broken the pattern of suffering cancer can therefore be seen as instrumental in bringing joy and meaning to ones life

**Pebbles of Wisdom** Rabbi Adin Steinsaltz, 2019-10 From the compiler A number of times throughout the years I have mentioned to Rabbi Steinsaltz that such wonderful gems are embedded within his lectures interviews and writings and I find myself repeating these gems to people Perhaps not gems he responded Maybe pebbles So for nearly 30 years I have been collecting pebbles from Rabbi Steinsaltz The pebbles in this book are all from unpublished sources Each is notated with additional pebbles from published sources that relate to the unpublished ones I have done this for two reasons to offer a lot more pebbles to the reader and to send the reader to Rabbi Steinsaltz's published works to see how the ideas are expanded and to then discover even more pebbles as well as lengthier pieces and more fully developed thoughts **Parabola**, 1990

Futurizing the Jews Tsvi Bisk, Moshe Dror, 2003-11-30 Bisk and Dror assert that the 21st Century can be the Jewish Century that no other people is better prepared to face its challenges However to do so a stress on the Jewish Future must replace a preoccupation with the Jewish Past They offer a neo Zionist ideological analysis of modern Jewish life as an alternative to both classical Zionism and post Zionism They conceptualize a Jewish Grand Strategy by clearly defining and delineating between ideology policy grand strategy strategy and tactics with compelling proposals for what such a revised Grand Strategy might entail They suggest a concept of reinvigorated Israel Diaspora relations based on this new Grand Strategy and the potential of the Information Technology Revolution They also offer a conception of Jewish spirituality that could be as appealing to secular as to religious Jews They reject the concept of a Nation that Dwells Alone Throughout the ages Jews have affected and been affected by the world more than any other People they assert They also reject the view that suffering is the dominant feature of Jewish history as this lachrymose perception cannot inspire needed Jewish ambitions in the young They stress the needs of the Jewish person and insist that there can be no real significance to the continued existence of the Jewish People unless the real life concrete needs of the individual are addressed As former Israeli

Ambassador to the United Nations and former Cabinet Minister Gad Yaacobi asserts in his foreword The book is original iconoclastic and in some ways revolutionary it challenges inherited assumptions and calls for positive action I believe we have before us a book that must become a reference point for Jewish policy makers as quickly as possible
