Discovering the Revelations of God Thomas Idler, 2024-05-29 If you're wondering where God is and whether He's real consider the obvious If He is real wouldn't He reveal Himself and give us the answers we're looking for Surely those answers should be right in front of us Even though God has given us nine witnesses of His existence the world seems to have come up with alternative explanations How would you interpret these witnesses Will you follow what the world says or instead acknowledge what each witness says about God God revealed Himself to me face to face although I didn't realize it right away I saw how genuine God is how pure His heart is and how transparent His message is When I had my God moment everything got set into motion and that's why I wrote this book You are precious to God and you are precious to me God will reveal Himself to you throughout your life and hopefully this book will help you to more clearly understand Him

Daniel's Fourth Kingdom Melvin L. Hawkins LLC, 2021-10-28 Although there is broad consensus among Bible prophecy scholars that the times of the gentiles will continue until the return of Jesus Christ the century old traditional interpretation holds that Daniel's fourth gentile kingdom the Roman Empire ceased to exist in AD 476 in the West at Rome and therefore must be revived politically in the beginning of the seven year tribulation period That prevailing viewpoint is obscuring a clear understanding of the continuing existence of the fourth kingdom as well as its fulfillment in history of important prophecies related to the end times Peters forewarned about this potential interpretation problem in *The Theocratic Kingdom* 1884 Daniel's Fourth Kingdom 1 establishes that the divided Roman Empire still exists today and explains why that fact matters regarding the season of Christ's return 2 respectfully questions the traditional interpretation 3 exhorts the church to love not the temporal kingdoms of this world but instead to embrace her gospel inspired Holy Spirit empowered love driven apolitical evangelical mission to share the gospel with all nations while expecting the possibly imminent pretribulation rapture and 4 invites all readers believers and skeptics alike to consider the relevance of the Bible concerning world history current events and the future
