The Tomorrow-tamer and Other Stories Wemyss Laurence, 1953 **The Canadian Novel** John Moss, 1983-02 A collection of essays about contemporary Canadian novels by Margaret Atwood Robertson Davies Margaret Laurence Alice Munro Mordechai Richler Rudy Wiebe as edited by professor of English at the University of Ottawa John Moss **The tomorrow-tamer : and other stories** Margaret Laurence, 1984 **The Tomorrow-tamer, and Other Stories.** **Introduction: Clara Thomas** Margaret Laurence, 1970 *The Tomorrow-tamer and Other Stories* Margaret Laurence, 1970 The ten stories gathered together in *The Tomorrow Tamer* are Margaret Laurence's first published fiction Set in raucous and often terrifying Ghana where shiny Jaguars and modern jazz jostle for eminence against fetish figures tribal rites and the unchanging beat of jungle drums the stories tell of individuals European and African trying to come to terms with the frightening world brought about by the country's new freedom With the same compassion and understanding she would bring to her later fiction set in Canada Laurence succeeds brilliantly in capturing the atmosphere of a continent and of individual men and women struggling for survival under the impact of the wind of change **The Canadian Short Story** Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany *Margaret Laurence and Jack McClelland, Letters* Laura K. Davis, Linda M. Morra, 2018-05-18 Margaret Laurence and Jack McClelland one of Canada's most beloved writers and one of Canada's most significant publishers enjoyed an unusual rapport In this collection of annotated letters readers gain rare insight into the private side of these literary icons Their correspondence reveals a professional relationship that evolved into deep friendship over a period of enormous cultural change Both were committed to the idea of Canadian writing in a very real sense their mutual and separate work helped bring Canadian Literature into being With its insider's view of the book business from the late 1950s to the mid 1980s *Margaret Laurence and Jack McClelland Letters* presents a valuable piece of Canadian literary
