INTERVIEW WITH THE AUTHOR When did you start writing My first effort started with Socket Greeny It was a story I started for my son because he hated to read It didn't work but this character Socket took root It was the first time I felt possessed by a character with a story to tell It took me 5 years and countless rewrites to get it right I waited by the mailbox after that but the giant paycheck never arrived If you can't make money why write fiction I didn't say you can't make money There are a lot of people out there with a good book whether it's romance dystopia science fiction or young adult I'm just a minnow in a crowded pond It took a good deal of networking and research to realize just how hard it is Thanks to epublishing I can get the book out That frees me up to write what inspires me Writing is the true love There's something deeply satisfying to have characters come to life in your mind and watch their stories unfold It's a deeper experience than reading someone else's story What do you want readers to get from your stories I've always been inspired by fearless writing that asked poignant questions questions like who am I and what is the universe Things that made me look at life slightly different books that exposed a layer of reality Writing in the young adult genre appealed to me most because that's the age I really craved those questions and answers I want readers to see the world slightly different What is your favorite character I love a bad bad antagonist that you can't entirely hate there's some smidgeon of redemption you feel inside this demented sorry character Heath Ledger's Joker A despicable character that didn't deserve an ounce of pity but for some reason I didn't hate him as much as I should have It's that character I find most intriguing In The Socket Greeny Saga the character Pike was my Joker

Seeds of Foreverland Tony Bertauski, 2015-10-09 Harold Ballard's

breaking point came in the sixth grade John Lively was a mouth breather that no one cared about He was an over sized sixth grader destined to be incarcerated God wasted a body on him Harold was a curious loner that sat in the back Unlike John s family Harold s parents loved him They just didn t have time for him They spent days in the basement working on something that would change the world Sometimes it was weeks Harold was tired of being forgotten and pushed around He pushed back That day would change the world That day would change him into the man he was destined to become His curiosity would lead him to Foreverland

INTERVIEW WITH THE AUTHOR HOW IMPORTANT ARE NAMES TO YOU IN THIS BOOK DID YOU CHOOSE THEM BASED ON SOUND OR MEANING Almost all of my books have names with special meaning some foreshadowing a big twist In The Annihilation of Foreverland Reed s name was symbolic of his ability to tolerate suffering bending in the face of gale forces but never breaking

WHERE DOES YOUR TOMORROW SPRING FROM IN OTHER WORDS HOW DID YOU COME UP WITH THE CRAZY WORLD Sometimes I can t remember how the story started by the time I get to the end The Annihilation of Foreverland started with the premise of identity I wanted to write it as a YA book in the science fiction dystopia genre in a way that slowly unfolded as well as questioned who we are and explore our fear of death and what we re willing to do to avoid it Like all of my stories it does have a romantic angle mixed into the action Because it should

GIVE YOUR BOOK THE BECHDEL TEST IT HAS TO HAVE AT LEAST TWO NAMED WOMEN IN IT WHO TALK TO EACH OTHER ABOUT SOMETHING BESIDES A MAN I failed because there s only one female in The Annihilation of Foreverland However the young adult sequel Foreverland is Dead passes with flying colors since its mostly female characters that rarely talk about men

WHAT SORT OF BODY COUNT ARE WE TALKING HERE The bodies die but not necessarily the characters Chew on that a second

DO YOU WANT YOUR TOMORROW TO MAKE IT BIG AS IN JK ROWLINGS BIG WHY OR WHY NOT Believe it or not no Don t get me wrong I d like to make enough cash to pay off this house and send my kids to college but I ll pass on fame and fortune Anonymity is a blessing

YOU CAST YOUR CHARACTERS FOR A MOVIE WHO MAKES IT In The Annihilation of Foreverland I only casted two characters in my head while I was writing it The Director is Jeff Bridges and Mr Jones is Anthony Hopkins It was like watching a movie as I wrote

HAVE YOU WRITTEN IN ANY OTHER GENRES BESIDES YA DYSTOPIAN WHAT DREW YOU TO YOU THIS GENRE I ve been fascinated by consciousness identity and what this all means since I was young I would read my grandfather s science fiction books with elements of artificial intelligence and alternate realities and wonder what happened when they died I suppose that s why all of my writing deals with the big mysteries of life in one way or another In a way I write for my own exploration in a sort of thought experiment approach pulling apart our identities exploring what makes us who we are If I lost my memories would I still be me If I had my body parts replaced with synthetic replications at what point would I not be me Do I even need a body What am I A few years ago I figured I d write a romance novel Since all of my books have a romantic element I thought it would be fun Halfway through the novel I found myself thinking more and more about the next project a dystopian idea So 40 000 words in I scrapped the

romance novel and got back to what I love Science fiction Ashes of Foreverland Tony Bertauski, 2017 Tyler Ballard was in prison when his son created a dreamworld called Foreverland a place so boundless and spellbinding that no one ever wanted to leave Or did Now his son is dead his wife is comatose and Tyler is still imprisoned But he planned it that way The final piece of his vision falls into place when Alessandra Diosa investigates the crimes of Foreverland Tyler will use her to create a new dimension of reality beyond anything his son ever imagined a Foreverland for the entire world Danny living outside of Spain since escaping the very first Foreverland begins receiving mysterious clues that lead him to Cyn They are both Foreverland survivors but they have more in common than survival They become pieces of another grand plan one designed to stop Tyler Ballard No one knows who is sending the clues but some suspect Reed another Foreverland survivor Reed however is dead Everyone will make one last trip back to Foreverland to find out who sent them And why

pulling apart our identities exploring what makes us who we are If I lost my memories would I still be me If I had my body parts replaced with synthetic replications at what point would I not be me Do I even need a body What am I Since all of my books have a romantic element I thought I would write a romance novel Halfway through **Drayton (The Taker)** Tony Bertauski,2010-09-24 Drayton once believed he was a vampire He doesn't know what he is Or why he has lived for thousands of years He takes not his victim's blood but the silky essence of their soul during their last breath Often mistaken for the Angel of Death his victims sometimes ask for forgiveness Sometimes he delivers After all he is not without sin Blake Barnes commits suicide by freezing on Mt Hood As his life fades he assumes Death has come to him in the form of a young man In his last moments he asks Death to find his family to tell them he's sorry Drayton honors this last request as he absorbs Blake Barnes' waning essence He travels to the Lowcountry of South Carolina to find his family But saying sorry is not always as easy as the words imply Drayton seeks to unravel the mess Blake Barnes has left behind and the predator he's unleashed on his family

INTERVIEW WITH THE AUTHOR Did you ever think you'd write about vampires Nope Drayton came out of nowhere when I was at a community theatre production of Dracula I figured that an immortal vampire would more likely become compassionate and wise as he grew older Twilight put a different spin on the vampire genre much different than Nosferatu Drayton's nothing like Twilight Or Nosferatu What's a downside to writing a character similar that's similar to you Predictable Boring If every book I write is similar it ceases to surprise the reader That's what I loved about Drayton he was just the opposite of me This paranormal being was fearless not out of bravado but the wisdom brought about by countless years of immortality I called him a vampire because it was the word that fit him the best in his early years but he became something much for that Whatever a vampire becomes after the gore and bloodsucking sort of like the caterpillar and butterfly Do your characters ever resemble you in your beliefs Some do But there are others that are just fun to go the other way especially antagonists I do find it interesting even courageous when authors can write very demented sick and twisted antagonists It's very revealing to show the world what's bouncing around in your head What do you think is the most important aspect of writing a character Letting him or her grow in my head It's when I'm driving to work taking a shower or lying in bed that they come to life It's also one of the most gratifying elements of writing I've enjoyed letting this vampire walk through my mind leaving his short stories behind

Jack: The Tale of Frost Tony Bertauski,2013-11-22 The Jack Frost you never knew Sura is sixteen years old when she meets Mr Frost He's a strange man Very short very fat And he likes his room cold Some say inhumanly cold Mr Frost's love for Christmas is over the top and slightly psychotic He's made billions of dollars off the holiday and according to Mr Frost a holiday he invented Rumor is he's an elfen but that's silly Elven aren't real And if they were they wouldn't be in South Carolina Sura takes a job at Frost Plantation that's strange and magical and for the first time in her life a place where she feels like she belongs She'll uncover the mystery of what really happens at Frost Plantation and who's making all the toys She'll discover the biggest secret of all Mr Frost hates Christmas Really really

hates it *Claus: Legend of the Fat Man* Tony Bertauski, 2013-12-28 This week only save 10% to 40% on the boxed sets Claus Boxed Volume 1 and Volume 2 In the early 1800s Nicholas Santa discovered an ancient race of elven Short fat and hairy they have lived peacefully on the North Pole since the Ice Age but Nicholas is quickly swept into the colony's first and only fracture The elven known as the Cold One has divided his people His name is Jack And Jack's tired of hiding Why should they live in a shrinking ice cap when humans occupy the rest of the world It's just not fair There's no stopping Jack from world domination until Nicholas Santa the only human to enter the elven colony joins helium bladder reindeer artificially intelligent snowmen and a merry band of big footed elven to bring peace back to the North Pole And becomes a legend

Flury: Journey of a Snowman Tony Bertauski, 2014-11-15 Life hasn't been kind to Oliver Toye As if juvenile diabetes isn't enough he's forced to live with his tyrannical grandmother in a snow bound house He spends his days doing chores and the nights listening to the forest rumble But when he discovers the first leather bound journal the family secrets begin to surface The mystery of his great grandfather's voyage to the North Pole is revealed That's when the snowman appears Magical and mysterious the snowman will save Oliver more than once But when the time comes for Oliver to discover the truth will he have the courage When Flury needs him will he have the strength When believing isn't enough will he save the snowman from melting away Because sometimes even magic needs a little help

INTERVIEW WITH AUTHOR Where did you come up with the idea of writing science fiction for holiday characters My nephew mentioned the secret Santa ninja elves that visit his school during Christmas and this spawned the idea of writing a semi serious sci fi version of Santa How the ideas flesh out is a long process I started keep track of how the story arc of my latest novel evolves just to remember where it began It's all over the place I love the challenge of bringing a story to light letting the characters get in my head and telling me where to go

Flury Journey of a Snowman is the third book in the Claus series It was originally Frosty the Snowman but Frosty is copyrighted It didn't matter really The character was better suited to be something other than Frosty Flury is a bit more serious Are you getting any backlash for rewriting these Christmas legends Not at all In fact a lot of readers have connected to all the unanswered questions surround them especially Santa Claus How does he go around the world in a night Why is he fat Why does he live on the North Pole How do reindeer fly How does he carry all those presents All of them answered with the magic wand of science fiction I mean the science wand of science fiction The stories still have the fantasy element of course Some leaps of imagination And also the romance angle Why Because all stories have love What is your favorite character from the books

that you have written Socket Greeny is one of my favorites That science fiction trilogy was my first story I wrote it in first person and really connected with him However Jack Frost is in Claus Legend of the Fat Man and Jack The Tale of Frost and has become my all time fave He s childish irreverent and dangerous but at the same time lovable What order should readers purchase the Claus books Claus Legend of the Fat Man is the best start After that any order works They all can be read as standalone novels *Journal of Experimental Pedagogy and Training College Record* ,1919 **Kentucky Medical Journal** ,1913
