## **The Truth About Forgiveness:**

**The Truth about Forgiveness** John MacArthur, 2012 John MacArthur demonstrates forgiveness apart from Christ is unnatural. It is only as we understand our need Christ's power and example and what it really means to love that we can embrace two of the most liberating acts of love: forgiving and being forgiven. *The Truth About Forgiveness* Wendy Bussell, 2005-06-23 The primary benefit of this forgiveness book is it challenges us to be the spiritual people we were created to be. Living in happy, healthy and whole relationships with ourselves, others and God. I have seen and heard over the years so many people talking about forgiveness and what they think forgiveness is. I have come to believe that most people do not know the truth about forgiveness or the power forgiveness has for the one who chooses to forgive and be forgiven. When we choose to forgive, the end result is freedom to live our lives without all the hindrances: anger, hatred, resentments, bitterness and unforgiveness fills our hearts and spirits. Forgiveness opens ourselves to getting our lives back into a place of balance so that we can live in peace and harmony with ourselves and then with others. The unique message of this book is the truth and reality it illustrates. It shows how we can live in true spirituality and life from a perspective we can all relate to and understand. It is written from a personal and experiential perspective as I have journeyed with myself and others. I feel what sets this forgiveness book apart is it is inspired by God, written for God's people. The book will help the reader to know the truth about what forgiveness is and what it is not. I have included illustrations and life stories which will help the reader see and understand more fully and completely what happens in our spirits, body and emotions when we allow anger, bitterness, resentments, hatred and unforgiveness to build up in our hearts and lives. Then what happens in our lives, spirits and hearts when we choose to let go and allow forgiveness to be a part of our life plan and purpose. **The Forgiveness Factor (eBook)** Cherie Hill, 2016-06-01 We know we're supposed to forgive but we just can't forget. And it's that struggle in our soul that keeps our hurts and hearts from being healed, creating a gap between our pain and the peace we're so desperate for to seem completely unbridgeable. When it comes to forgiveness we so easily confuse God's love with our own and find ourselves frustrated and confused without a clear understanding of what God is really asking us to do. It's through *The Forgiveness Factor* that you'll come to clearly understand what God means when He says to forgive. And more than likely it's not what you think. It's in uncovering the truth about forgiveness by revealing the lies that you'll be set free from the burden that forgiveness seems to bring. You'll realize that you're only giving up your hope for a different past, realizing that wrongs may never be made right but they can be forgiven. **The Truth About: Forgiveness** Theresa Denise Pettaway, 2005-01 A lie is a misstatement of the truth with the sole intent of deceiving and creating a false or misleading impression. Therefore a liar is one who tells lies. Satan is the chief liar and the father of them. John 8:44 Every lie that exists or has ever existed originates with him. From the beginning of mankind's creation, Satan has lied to us and through us. His first distortion of God's Word, instructions to Adam and Eve, was about the tree in the midst of the Garden. To this very day, Satan is still lying to mankind.

about God and His Word the Bible Some of his most dangerous and hurtful lies are the lies he tells about forgiveness THE TRUTH ABOUT FORGIVENESS exposes Satan s lies and helps led us on the journey to healing love life and prosperity
