## **The Underside Of The Rainbow:**

The Underside of the Rainbow B. E. Burkhead, 2015-07-29 Rainbows are a phenomenon caused by reflection refraction and the dispersion of light They carry with them stories and myths legends and beliefs and when one appears in the sky after a storm it is a reminder that something good something gentle can come out of chaos But what if the chaos is the rainbow itself Burkhead gives readers a raw gritty and unapologetic realism in this collection He shows them what happens when they take off their rose colored glasses and look at the world around them Instead of fields of freshly grown flowers he writes of alleys with broken bottles and hypodermic needles no happily ever afters just blunt and honest truths sometimes with endings sometimes without Just as life doesn't hand out answers Burkhead doesn't sugarcoat its truths This collection is a reflection an optical alteration on what readers pretend not to see insecurities pain abuse honesty So often in life and in poetry the world is romanticized as a playground where everyone falls in love where everyone has their happy ending But in the underside there is heartbreak there is isolation there is repetition just as there is addiction sex and repulsion There are drunk days too sober nights and in between there is madness there is confusion there is clarity Not all rainbows are made of light In fact some of them are nothing but darkness

**Encyclopedia of Invasive Species** Susan L. Woodward, Joyce A. Quinn, 2011-09-22 This two volume set provides a one stop resource on invasive plants animals fungi and microorganisms that are threatening native ecosystems agriculture economies and human health in the United States Kudzu vine and field bindweed Eurasian collared doves Burmese pythons and black rats The northern snakehead and the gypsy moth All of these are examples of invasive species that have taken over or are threatening certain ecosystems places where these organisms never naturally occurred This two volume work contains 168 entries on plants animals fungi and microorganisms that are invasive in the United States providing a complete examination of the variety of organisms pathways distribution patterns and impacts of non native species introduced to this country Encyclopedia of Invasive Species From Africanized Honey Bees to Zebra Mussels begins with a background essay that illuminates the complexities of dealing with invasive animals and plants Each entry provides information on the origins and invasion history of the species in question as well as a general description of the biology and ecology of each organism Impacts actual and potential as well as management strategies are addressed Every species is depicted via photographs as well as maps that show its place of origin and invaded regions in the United States This unique work presents fascinating scientific information as well as valuable insights about how seemingly minor events can drastically alter our environment

*Rainbow's Shadow and the Covenant of Wisdom* John Cicero, 2010-03 *Rainbow's SHADOW and the Covenant of Wisdom* *Rainbow's Shadow and the Covenant of Wisdom* picks up where *Rainbow's Shadow and the Tablets of Fate* leaves off Will Jimmy and Bryan are back to their normal lives until Will is rushed to the hospital with a bizarre case of vertigo With his head spinning like a top and dreams of his grandfather back in full force Will is convinced he is being called back to Rainbow Alley for something big He has secretly tried to gain access back into the

portal for months and his failed attempts to open the vortex have frustrated him beyond belief Convinced the portal is permanently closed Will sits in his hospital room confused It was temptation which lured Bryan to take the shiny black stone as a souvenir from Rainbow Alley Little did he know he had provided a way for evil to rejuvenate As he admires the shiny black stone he finishes reading yet another Sorcerer s Shadow novel entitled The Pirate s Revenge With the book resting up against the stone and another novel entitled The Island Where Magic Began it only takes a few seconds for the evil forces of the Sorcerer s Shadow to emanate from the stone and open the portal As the two novels meld together and the portal opens Will finds himself confronted by an eccentric messenger who instructs him to return the stone Once the stone is returned the Covenant of Wisdom will be revealed and provide the necessary knowledge to open the path to true paradise Will and Jimmy find themselves on a new journey into a surreal world as they find access into the portal and into a new adventure Their mission at first is to save Bryan but quickly transforms into a quest for all mankind *At the Back of the Black Man's Mind*
