**Reading the Bible for a Change, Second Edition** Ray Lubeck, 2023-02-21 Which Bible passages are for Christians today and which relate only to ancient readers? Can I simply pick and choose for myself the verses I think best fit my situation? Who gets to decide? Is there a different meaning for each individual reader? What am I supposed to know to read the Bible well? Ray Lubeck has devoted his life to helping others discern for themselves God's truth in the Scriptures and to showing them how it relates to their everyday lives. Reading the Bible for a Change will guide you in how to Read each biblical passage in light of its literary style and larger context. Ask and explore the most fruitful questions for understanding the meaning of a passage. Avoid common interpretive mistakes. Hear God the divine Author speak through the Bible's human authors. Identify the life changing truths of Scripture that apply to life today. Move beyond merely reading the Bible to being shaped by and following it. Having taught for over three decades at the undergraduate and graduate levels as well as in many ministry contexts, Ray values the importance of holding the interest of students of the Bible. This book is written in an accessible and engaging style using illustrations, charts, stories and relevant examples to help the reader grasp key concepts.
