Thick Blood Theory When Conspiracy Means Murder:

The Colony Sally Denton, 2022-06-28 A Publishers Weekly Summer Reads Selection The Colony is one of the most gripping and disturbing true stories I've ever come across Douglas Preston An investigation into the November 2019 killings of nine women and children in Northern Mexico an event that drew international attention The Colony examines the strange little understood world of a polygamist Mormon outpost On the morning of November 4 2019 an unassuming caravan of women and children was ambushed by masked gunmen on a desolate stretch of road in northern Mexico controlled by the Sinaloa drug cartel Firing semi automatic weapons the attackers killed nine people and gravely injured five more The victims were members of the LeBaron and La Mora communities fundamentalist Mormons whose forebears broke from the LDS Church and settled in Mexico when their religion outlawed polygamy in the late nineteenth century The massacre produced international headlines for weeks and prompted President Donald Trump to threaten to send in the US Army In The Colony bestselling investigative journalist Sally Denton picks up where the initial incomplete reporting on the attacks ended and delves into the complex story of the LeBaron clan Their homestead Colonia LeBaron is a portal into the past a place that offers a glimpse of life within a polygamous community on an arid and dangerous frontier in the mid 1800s though with smartphones and machine guns Rooting her narrative in written sources as well as interviews with anonymous women from LeBaron itself Denton unfolds an epic disturbing tale that spans the first polygamist emigrations to Mexico through the LeBarons internal blood feud in the 1970s started by Ervil LeBaron known as the Mormon Manson and up to the family's recent alliance with the NXIVM sex cult whose now imprisoned leader Keith Raniere may have based his practices on the society he witnessed in Colonia LeBaron The LeBarons tense but peaceful interactions with Sinaloa deteriorated in the years leading up to the ambush LeBaron patriarchs believed they were deliberately targeted by the cartel Others suspected that local farmers had carried out the attacks in response to the LeBarons seizure of water rights for their massive pecan orchards As Denton approaches answers to who committed the murders and why The Colony transforms into something more than a crime story A descendant of polygamist Mormons herself Denton explores what drove so many women over generations to join or remain in a community based on male supremacy and female servitude Then and now these women of Zion found themselves in an isolated desert navigating the often mysterious complications of plural marriage and supported Denton shows only by one another A mesmerizing feat of investigative journalism The Colony doubles as an unforgettable account of sisterhood that can flourish in polygamist communities against the odds

The Death of American Virtue Ken Gormley, 2011-02-01 Ten years after one of the most polarizing political scandals in American history author Ken Gormley offers an insightful balanced and revealing analysis of the events leading up to the impeachment trial of President William Jefferson Clinton From Ken Starr's initial Whitewater investigation through the Paula Jones sexual harassment suit to the Monica Lewinsky affair and Brett Kavanaugh's role in the subsequent inquiry The Death of American Virtue is a gripping

chronicle of an ever escalating political feeding frenzy In exclusive interviews Bill Clinton Ken Starr Monica Lewinsky Paula Jones Susan McDougal and many more key players offer candid reflections on that period Drawing on never before released records and documents including the Justice Department s internal investigation into Starr new details concerning the death of Vince Foster and evidence from lawyers on both sides Gormley sheds new light on a dark and divisive chapter the aftereffects of which are still being felt in today s political climate **Esquire** ,1994-07 *British Medical Journal* ,1912
