**Ethical Issues in Business - Second Edition** Peg Tittle, 2016-12-15 Peg Tittle's ambitious business ethics text brings together readings, cases, and the author's own informed opinions. The second edition includes over a dozen new readings and case studies as well as a new chapter on issues in Information and Communication Technology. Includes Canonical and topical readings on issues ranging from whistleblowing and advertising to international business, the nature of capitalism, and the environment. Engaging overviews from the author encourage careful reflection and critical examination of conventional assumptions. What to Do scenarios and Case Studies illustrate the practical relevance of each topic. Comprehensive introductions to ethical theory and the ethics of business. Questions following each selection test understanding and promote active reading. A primer on ethical institutions examines the role of ethics consultants, codes of ethics, and more.

**Treatment Resource Manual for Speech-Language Pathology, Sixth Edition** Froma P. Roth, Colleen K. Worthington, 2019-10-22 The thoroughly revised Sixth Edition of the best-selling Treatment Resource Manual for Speech Language Pathology remains an ideal textbook for clinical methods courses in speech language pathology as well as for students entering their clinical practicum or preparing for certification and licensure. It is also a beloved go-to resource for practicing clinicians who need a thorough guide to effective intervention approaches and strategies. This detailed evidence-based book includes complete coverage of common disorder characteristics, treatment approaches, information on reporting techniques, and patient profiles across a wide range of child and adult client populations. The text is divided into two sections. The first part is focused on preparing for effective intervention, and the second part, the bulk of the book, is devoted to therapy strategies for specific disorders. Each of these chapters features a brief description of the disorder, case examples, specific suggestions for the selection of therapy targets, and sample therapy activities. Each chapter concludes with a set of helpful hints on intervention and a selected list of available therapy materials and resources. New to the Sixth Edition: A new chapter on Contemporary Issues including critical thinking, telepractice, simulation technologies, and coding and reimbursement. New tables on skill development in gesture feeding and vision. New information on therapist effects, therapeutic alliance. Coverage of emerging techniques for voice disorders and transgender clients. Expanded information on Childhood Apraxia of Speech, Cochlear Implants, Cultural and Linguistic Diversity, Interprofessional Practice, Shared Book Reading, Traumatic Brain Injury Treatment, Dosage Intensity, Vocabulary Development. Key Features: Bolded key terms with an end-of-book glossary. A multitude of case examples, reference tables, charts, figures, and reproducible forms. Lists of Additional Resources in each chapter. Disclaimer: Please note that ancillary content such as documents, audio, and video, etc., may not be included as published in the original print version of this book.
