Three Strikes Against Her:

The Return of Gabriel Richard V. Shriver,2005-11 This collection of letters is a continuation of my earlier collection The Gabriel Letters I stumbled on the idea of writing imagined letters from an archangel advising a young guardian while reading an introduction to C S Lewis Screwtape Letters It has been a marvelous way perhaps delusional of standing back and imagining that I can see the world through angel eyes The amazing result for me has been a sense of objectivity and good will The intended purpose of the letters is to apply to all things the idea of God s complete love self sacrificing eternal parent like love This idea is the center of Christianity It is Jesus message and it is St Paul s good news If we desire to be Christian we should begin it seems to me by attempting to apply Jesus teachings to all things to our behavior to our human relationships especially family to our work and our business dealings to the way we run our churches and to the way we study the scriptures If we take Jesus seriously we must reevaluate much of the Bible the parts which are not specifically the teachings of Jesus Jesus Himself questioned much of the scriptures These letters cover a variety of subjects many of them Biblical Some Biblical passages need correction in light of Jesus ideas Some Biblical passages are so marvelous that we need to lift them to the sky and shout Look at this Some Biblical passages are confusing and we need to wrestle with them But in all we should be trying to see them through Jesus eyes To see through Jesus eyes is I suspect what the true Gabriel wants and it is the intent of this book Richard V Shriver
