## **The Unobstructed Universe:**

*The Unobstructed Universe* Stewart Edward White, 1941 Stewart Edward White 12 March 1873 September 18 1946 was an American writer novelist and spiritualist Starting in 1922 he and his wife Elizabeth Betty Grant White wrote numerous books that according to them were received through channelling with spirits Wikipedia **The Unobstructed Universe** Stewart Edward White, 1988-01-01 An undisputed classic in the field of psychic exploration The Unobstructed Universe is as important to human understanding as the tales of Marco Polo six hundred years ago This book records the discoveries of Stewart White as he explored the terrain and topography of the inner dimensions of life **The Unobstructed Universe** Stewart Edward White, 2020-04-06 Stewart Edward White gained famous author first in adventure stories and Western tales and then came the books about Betty his wife The Unobstructed Universe is based on communications White received through a medium from Betty who had died in 1939 A great masterpiece which borders on science giving tantalising views of what we might expect in a future life No angels not even bright white light at the end of a tunnel but thought provoking and challenging White beautifully summarises his work In answer to the desperate need of a stricken world this book offers a new pattern for individual and social living based on recapture of faith not in the there ness of immortality but in its here ness To all who wants to come to terms with their spiritual path and immortality The Unobstructed Universe Stewart Edward White, 2017-03-22 This is the third volume of The Betty Collection a series of books written by American author Stewart Edward White on his psychic experiences together with his wife Betty White An undisputed classic in the field of psychic exploration it records White s discoveries as he explored the terrain and topography of the inner dimensions of life **The Road I Know ...** Stewart Edward White, 1942 **The Road I Know** Stewart Edward White, 2017-03-22 This is the fourth volume of The Betty Collection a series of books written by American author Stewart Edward White on his psychic experiences together with his wife Betty White The history of this book is in itself an interesting and amusing narrative After the publication of THE UNOBSSTRUCTED UNIVERSE Betty informed us that some time must elapse before she would be ready to give another divulgence So it occurred to me to examine once again the records of the work Betty did while she was still here Twice already they had been combed for material the extracts used in making THE BETTY BOOK and ACROSS THE UNKNOWN While those two books dealt to a large degree with Betty s training the effort had been to select material from a viewpoint of universal application Now another viewpoint might prove valuable that of Betty s own education irrespective of any concern with others than herself Perhaps it was largely for my own satisfaction in any case I did again go through the roughly million and a quarter words that were the records of Betty s work while here Passages directed at her personally and no one else I red penciled Next I cut them out and pasted them seriatim They totaled nearly two hundred thousand words For the first time I read them consecutively and realized that even with no further arrangement I had a NARRATIVE Furthermore it had growth interest it moved it climaxed most gloriously I thought Here was obviously a book to be written Therefore as I

am a writer of books I set blithely about it No light job I realized I must tell the story as clearly and simply as possible I must be accurate for this sort of thing depends on its integrity I must use of those two hundred thousand words only about one fifth lest the reader be confused as well as bored by the repetition necessary for the perfection of Betty s instruction
