*The Complete Cloud of Unknowing*, 2014-03-01 Central to the Christian mystical tradition is the inspired work of the anonymous author of *The Cloud of Unknowing* Rich with insights and perceptions of the obscurity and unknowability of God this work reveals God as being on an entirely different plane of existence from human beings so different that time bound human language is inadequate to describe God exhaustively or accurately Intellect and emotion both fail in seeking God who can only be encountered by rejecting all common earthly means in a cloud of forgetting and the discovery of Godself in the dark cloud of unknowing that can be pierced only with a lance of longing love Now we finally have a translation that captures all of this beauty and complexity without minimizing the nuances all of which are explained with extensive introductions and accompanying notes If I could keep with me only two books and a journal this book would be one of the books As far as I m concerned it s the most important book and among the most influential on Christian prayer in the last two millennia I m delighted to endorse this fine new translation and commentary The Rev Dr Chris Neufeld Erdman University Presbyterian Church Fresno CA author of *Beyond Chaos Living the Christian Family in a World Like Ours* and *Returning to the Center Living Prayer in a Distracting World* *The Complete Cloud of Unknowing* includes two classics of medieval Christian contemplative spirituality essential reading for anyone seeking to deepen their relationship with God through the practice of silent prayer They are rich texts full of nuanced wisdom that often gets lost in modern translations Father John Julian has captured the beauty humor and literary elegance of the original versions but also has supplemented his translation with detailed notes that convey the subtle spiritual insight that makes these works required reading I m excited about this book it s a title I will recommend both to beginners and to longstanding students of *The Cloud* Carl McColman author of *Answering the Contemplative Call* and *The Lion the Mouse and the Dawn Treader* [Philosophy](#) David E. Cooper, Peter S. Fosl, 2010 Cooper and Fosl provide a comprehensive single volume collection of the major works of Eastern and Western philosophers from ancient to modern times They offer an inclusive collection of the greatest philosophical works that draw on both Eastern and Western philosophical traditions
