The Trinity Practically Speaking:

The Trinity, Practically Speaking Frank D. Macchia, 2012-01-06 The Father the Son and the Holy Spirit in the Bible and in Christian experience are all vital to the reality of salvation But since the word Trinity does not appear in the Bible many people wonder whether the doctrine is anything more than an intellectual puzzle created by theologians This book leads readers step by step to a robust understanding of God as a Trinity

A Shorter Guide to the Holy Spirit Anthony C. Thiselton ,2016 Anthony Thiselton s scholarly book The Holy Spirit In Biblical Teaching through the Centuries and Today was published to wide acclaim in 2013 and received a 2014 Christianity Today Book Award This shorter volume makes Thiselton s vast biblical theological knowledge and brilliant insight more accessible to more readers

The Holy Spirit as Communion I. Leon Harris, 2017-09-26 In The Holy Spirit as Communion Leon Harris examines the pneumatologies of Colin Gunton and Frank Macchia For both theologians the doctrine of the Holy Spirit is foundational to understanding their doctrine of God Christology and ecclesiology Drawing on the theme of communion The Holy Spirit as Communion expresses the concept that the Holy Spirit is the person who perfects the divine nature and personhood of the Father and Son It is the Holy Spirit who perfects the eternal communion within the divine Trinity which is the source of the divine action that also perfects the communion in creation as an expression of the Father s will through Jesus Christ The Holy Spirit as Communion explores the essentiality of the Holy Spirit through a unique approach to Spirit Christology Gunton is represented by a radicalized version of Chalcedon Christology and Macchia formulates his account through the overarching metaphor of Spirit baptism Therefore the doctrine of God Christology ecclesiology and eschatology cannot be construed without a proper account of pneumatology that takes into consideration the eschatological perfecting work of the third person of the Trinity who perfects creation s koinonia as a gift from the Father through the grace of Jesus Christ

50 Questions on The Natural Law Charles E. Rice, 2011-04-27 Charles Rice professor of the jurisprudence of St Thomas Aquinas for the last twenty years at Notre Dame Law School presents a very readable book on the natural law as seen through the teachings of Aquinas and their foundations in reason and Revelation Reflecting on the most persistent questions asked by his students over the years Rice shows how the natural law works and how it is rooted in the nature of the human person whose Creator provided this law as a sure and knowable guide for man to achieve his end of eternal happiness This book presents the teachings of the Catholic Church in her role as arbiter of the applications of the natural law on issues involving the right to life bioethics the family and the economy Charles Rice has produced a firmly grounded and accessible handbook which touches on the most important topics regarding natural law that will benefit readers of all backgrounds
