**The Truth About Christmas** Onyeanusi Joachim Uchenna,2023-12-30 Have you ever wondered about Christmas From the time you first found out there really was no Santa Claus did you ever question other aspects of this incredible holiday one that so much of the world takes for granted Did you ever wonder where Christmas came from Is it in the Bible From where do all the unusual symbols surrounding the celebration of this day come Why a Christmas tree Where did the idea of Santa Claus originate Why does

Santa wear a red suit with fur Why does he supposedly come down the chimney Why are stockings left on the fireplace Why is this day celebrated on the 25th of December Where did the Christmas wreath come from or the Yule log How about the exchanging of gifts What about mistletoe What do all these symbols and festivities really mean What does the Bible say about this holiday And what is God s perspective on these things If you were surprised when you first discovered the truth about Santa Claus you will be even more surprised by the rest of the story Childhood Memories From our earliest childhood most of us looked forward to Christmas more than any other holiday We were given time off from school Stores were decorated and downtown city streets were brightly lit Additionally many neighborhood homes would put up lights and other decorations For weeks we would anticipate and fantasize about all the presents we would receive Then the whole family would go out looking for just the right tree Once found it was brought home and showered with tinsel balls and lights The family would work together to decorate the tree to everyone s delight Then as the great day arrived we hung our stockings up and went to bed hardly able to sleep because of our excitement about what the morning would bring When morning came we would run to the tree and there we would kneel down before it and receive our gifts according to whether we had been bad or good This was the experience of so many of us as we grew up None of us ever questioned any of these things deeply We simply took all of it for granted When told that we celebrated all this to honor Christ we did not study the Bible to find if any of it were true Perhaps as some of us found out the truth about Santa Claus we were somewhat disillusioned but most of us did not question these practices any further Now however it is time We need to make informed choices about this issue because it affects our worship of God and as such our very salvation It is time to follow the Bible s admonition and prove all things and hold fast to that which is good 1Thess 5 21 The Business of Christmas Recently Hallmark one of the nation s top three wrapping paper manufacturers announced that during the Christmas season it will produce over 24 000 miles of wrapping paper Additionally the number of Christmas trees sold in Los Angeles alone will top 1 1 million Further Americans will spend over seven billion dollars on children s toys during the Christmas season Collectively agencies and photo studios suit up and ship out as many as 20 000 Santa Clauses to malls parades and parties It has been estimated that retail stores can generate 35 000 in additional income simply by having a photographer and a rented Santa Claus for the season Further it is estimated that mall traffic increases by 15% when Santa Claus is in one of the big stores The city of Los Angeles alone consumes over ten million kilowatt hours of electricity to support its Christmas lights This is the average monthly usage for many third world countries The average American family will receive 26 cards while 3000 letters addressed to Santa Claus will go through the Los Angeles Post Office alone Additionally 650 million Christmas packages will be sent to friends and loved ones through the mail during this season **The Truth about Christmas** Philip Ardagh,2012-10 Want to know the truth about Christmas Then this beautiful gift book is for you The truth about Christmas its traditions unravelled Have you ever wondered Who decided to celebrate Jesus birthday on 25th December and why Who exactly was Saint Nicholas Why do we kiss under the mistletoe

**The Truth About Christmas** R Frederick Riddle,2021-10-05 The Truth About Christmas is a timely look into the tradition of Christmas using the Nativity Scene as the backdrop Christmas has become so commercialized that we no longer know what is true and what isn t For example some actually believe that Jesus Christ was born on Christmas day but He wasn t The author breaks it down to what is now increasingly believed to be the actual date The author looks at His birth why He was born in Bethlehem facts about the manger the shepherds the Magi and the relation to the cross Packed full of facts with resources this book is timely and an easy read And it will change your perspective of our Savior s birth **The Truth About Christmas** Lisa Greene,2023-03-13 This book is dedicated to my grandson Stanley who asked me if Santa Clause was a true person Christmas and the idea that a stout man dressed in red clothing riding on a sleigh pulled by reindeers to deliver toys on Christmas Eve to children all over the world in one night is a heartwarming thought but also absolutely not true Children hearing this story growing up may often feel disappointed later in life realizing that their parents were dishonest with them about this particular chain of events This book was written with the intent of helping parents share a different story about Christmas and the real gift givers My name is Lisa Greene I live in the Bible Belt state of North Carolina I grew

up in the church and received Christ as my savior at the age of 8 I have always longed to write and my mission in writing this book is to share that angels with the love of God in their hearts are the real joy spreaders at Christmas and beyond **The**

Christmas and The Birth of Jesus Email t steward net venture com **The Truth Seeker** ,1918 *The Christmas Tree - Unwrapping the Truth* Jo Williams,2014-10-16 The road was covered with deep snow that wintry day The author was occupied with carefully climbing the steep hill with home in sight Suddenly the thought resurfaced that had refused to be suppressed the previous weeks What has the Christmas tree to do with the birth of Jesus When shared with a Christian friend

to the author's surprise the friend fairly shouted But you can't have Christmas without a Christmas tree And surely that is true she came to understand During that long period the author was likewise impressed with the profound truth that the meaning of a thing is forever tied to its roots and the fruits will prove that henceforth and forevermore according to Jesus Christ the apostle Paul church father Tertullian and many patriarchs as well as some highly credible modern Biblical scholars Years of research by this author followed with digging down all the way to the root of the tree to Asherah goddess of the groves the Israelites pursued that Yahweh denounced as an abomination to Him Thousands of years of a variety of tree worship can be painstakingly linked and traced from Canaan up through a number of nations Rome and all of Europe from Germany to the fledgling America and via the Prussian soldiers hired by King George to crush General George Washington at Valley Forge What is amazing is the unquestionable clear historical trail both Biblical and secular that the unmistakable tree idol presents from ancient Canaan and including its more recent title of Christmas tree in America all included and well documented in The Christmas Tree Unwrapping the Truth Most disturbing is the apostle Paul's teaching that behind every idol is a spirit As documented in this book some contemporary Christians have witnessed that spirit manifest dramatically in recent years in the US when it was confronted Don't be put off by the size of this comparatively small book it is a powerhouse of knowledge with step by step Scriptural instructions for removal of the curse and the cure for complete release from this idol from the crafty devious god of this world the American Church has welcomed so enthusiastically since the 19th century But those Christians who avail themselves of the truth of the Christmas tree have found release and freedom from all the baggage of this burden as presented in this dynamite instrument of deliverance Be sure to check this author's other books exposing the false gods and goddesses associated with the Christmas and Easter holidays     [The Works of Matthew Arnold](#)
