### **The Racing Post**

**Horseracing Miscellany** Amanda Tanner, 2022-10-31 Miscellaneous matters are what keep us fascinated by what's going on around us while we indulge our own favourite interests. If one of those interests happens to be horseracing then *The Racing Post Horseracing Miscellany* full of marvellously magnificent moments many magically memorable from racing's several centuries of excellent equine existence and an amazing, amusing, absorbing collection of little known jockey japes, trainer and turf trivia, owner observations, punter punditry and bookie banter is a book you will love. Every race meeting produces winners and also rans but every off beat, intriguing story chronicled in this cornucopia of course and distance action will be an odds on favourite with racegoers young and old. As the title suggests you'll find literally thousands of little known, unexpected yarns, tales and stories from the off to the finish line, the starting stalls to the winning post, the first to the last page. And you can bet it's an odds on shot you'll know you have really backed a winner.

It charts the rise of the football pools focusing upon its rapid growth from the 1920s and its prolonged decline in British culture from the 1990s partly as a result of the National Lottery.
