middle schools Geography history government and the other social sciences are delivered into the palm of the new teacher's hand along with a suite of tools for bringing social studies to life in the classroom. The book is organized into three sections the first orients the reader to the mission of social studies education to the increasingly diverse children we teach the second concentrates on the curriculum and the third deals with instruction how we plan and teach this curriculum. Three central themes continue to pervade the book democratic citizenship diversity and the social sciences to ultimately encourage teachers to excite their students about closing the gap between social realities and democratic ideals. An exceptionally strong chapter on multicultural issues Chapter 2 helps future teachers truly understand the changing demographics of the American classroom. Publisher's description *Teaching Elementary Social Studies* James Zarrillo, 2000 This text presents a methodology that offers every child a chance to succeed regardless of language culture intellectual ability physical attributes emotional capabilities or social skills. *Teaching Elementary Social Studies* encourages teachers to recognize that each child is unique and brings a special set of skills and abilities to the classroom. The unifying theme of the text is diversity and the author introduces several dimensions beyond the pluralistic nature of the student population. It promotes the idea that diverse students require a diverse pedagogy and offers specific ways to introduce meaningful topics in ways that will engage all students. Provides a foundation for teaching social studies. Informs pre-service teachers about the national standards documents that dictate curriculum planning for social studies. Introduces students to Expectations for Excellence Curriculum Standards for the Social Studies National Standards for Civics and Government National Content Standards in Economics Geography for Life and National Standards for History. Addresses the fundamentals of teaching social studies. Provides instruction for creating lessons based on MI inquiry and student interaction. Advocates the need for social studies lessons that infuse multicultural perspectives. Each lesson mini lesson group project or unit concludes with a section on Effective Teaching in Today's Diverse Classroom. Includes descriptions of activities group projects lessons and mini lessons to model good social studies instruction.
