No, no, no! This is all wrong! That beach ball should be 50% less than the sweater, which is supposed to be \$25.00 cheaper than what is marked. The jeans is priced way too high. It is only double the price of the sweater's sale price. Hurry and the store before any customers come in!

## SCHEDULING MADNESS

Stores open all the stores open on Black Friday. Fill in the boxes for stores that are open. Read the comprehension below for details on when each store opens and closes.

The Toybox has been going to Black Friday shopping for years. Their response was, "Our products come straight off of their shelves, right off the shelf, never marked up. Toys R Us sell something else." Oliver, his son, hoped to find a Toybox Toy to get the great deal on that TV he's been after.

"But what about the clothes you sell on Target?" Oliver asked. "They're open the same time as Toybox, but with their prices."

"Well, I know their clothes are the same as their own clothes, and they open a little bit later. Target does not sell the clothes before we close though."

"Oliver, keep tabs of their Toybox's prices, we will keep to them. Children's clothes are their great stock item."

"Sounds good. But on Black Friday, Toybox's prices, we need to be at the corner. We want to be the first to have great deals."
