## **Venture Capital and Firm Performance** Jaeho Lee,2017-08-15

This book provides an analysis of the impact on underpricing and long term performance of venture capital in IPOs and of the ownership characteristics of venture capital companies. It investigates the performance of IPOs in Korea during the dot com bubble and bust period. The book looks at venture capital firms and their participation, their reputation and conflicts of interests particularly in the context of the development of a new secondary stock market in an emerging market and these factors affect the pricing and performance effects of IPO firms. This book is a useful reference to those interested in promoting an active KOSDAQ type of stock market and understanding how venture capitalists and their institutional affiliation may reduce information asymmetry and add value of IPO firms

## **Business Liability and Economic Damages, Second Edition**

Scott D. Gilbert,2020-06-25 This book covers the subject of economic damages and its role in insurance claims, lawsuits and injunctions against businesses. Businesses exist to provide goods and services to customers and in doing so they take risks. Among these risks is the chance of losing money in lawsuits filed by customers, employees and others negatively impacted by the business. Insurance provides some protection against these liabilities but lawsuits still take their toll. This book covers the subject of economic damages and its role in insurance claims, lawsuits and injunctions against businesses. This book will help the reader to identify economic damages as a component of business liability, describe the business risk posed by economic damages, explain some key determinants of economic damages and estimate economic damages and business loss in a variety of cases
