**Leadership** Rich Kao, 2018-01-02 Disruptive leadership is a topic generating intense interest Companies all over the world  
 are trying to upend their industry through innovative products and services Becoming a disruptive organization however is  
 easier said than done Even more difficult is being a company that continually disrupts Is it possible to discern a code for how  
 companies can achieve this In this highly readable and engaging book a disruptive leadership framework is proposed in  
 which caring deeply is placed at the center of the model By turning care into a focal point a triphasic model is proposed that

moves from the personal sphere individual to the corporate arena organizational and then to the global stage impact Nine keys are identified along this path for how companies can realize organizational excellence While care may seem like a soft concept in the rough and tumble world of business it is argued how it is actually an inspired manner for providing direction structure and know how that leads to powerful outcomes Apple is profiled as a leading example of leveraging what is termed the technology of caring deeply Other companies such as Nike IKEA Zappos Starbucks are also profiled Finally a leadership canvas is provided to help activate the lessons shared in the book
