Spanish Move North Study Guide Answers:

Stuck Moving Peter Benson, 2023-04-11 AUTHOR S NOTE This book is unconventional A self conscious experiment in form that draws together two vernaculars anthropological thought and the pop culture of my youth It is a fraught exercise I write as a White guy about angst and alienation in the privileged spaces of anthropology and higher education I appreciate the irony I hope nonetheless that my experiences with and critical perspectives on social conventions the culture of liberalism and ableism in academia might be useful I seek to expand possibilities of anthropological representation while challenging epistemological aesthetic and professional norms in my discipline It bothers me that anthropology can be so sanctimonious I take aim at the ableist conceit that anthropologists are non characters studying a messy world Much of my life has been a mess My work has been undertaken amid struggles with pregnancy loss bipolar disorder and drug addiction I have deep regrets about my participation in an exploitative field I have deep regrets about many things I have hurt people and been hurt by people I hope my stories and reflections add to what others have already written about a more open honest and self deprecating anthropology
