

To A Special Teacher

When I started in School,
This day seemed so far away.
Now it's here and I can't believe
That time has passed so quickly
But through your encouragement and
guidance
I feel I'm ready for tomorrow's challenges.
Teachers play such an important part
In shaping and guiding...
Especially teachers like you,
Thank you for caring so much.

Teachers Bringing Out the Best in Teachers Jo Blase, Joseph Blase, 2006-06-02 Boost teacher to teacher collaboration and learning as a means of informal but powerful professional development Most teachers have experienced some kind of formal mentoring or induction program What these programs can miss is the meaningful daily interaction with peers that builds mutual trust and instructional collaboration the organic coachable moments that boost professional learning Based on a unique investigative study of nearly 300 teachers this powerful new resource provides informative teacher perspectives of informal naturally occurring teacher to teacher professional development Jo and Joseph Blase use this research to identify the following five teacher behaviors that can positively influence other teachers morale teaching skills and professional growth Building healthy relationships by communicating caring and developing trust Using five guiding principles for structuring learning experiences Planning and organizing for learning Showing and sharing Guiding for classroom management This excellent resource helps school leaders promote a culture that encourages lasting professional development Each chapter presents practical concepts and strategies that can occur in and out of the classroom Educators share specific experiences and examples showing each skill in action School leaders will learn what strong teacher peer consultants actually do that leads to improved teacher confidence and motivation enhanced trust and mutual respect and reflective instructional behavior among their colleagues These cost effective authentic strategies will build camaraderie and leadership in your school engaging colleagues as a team in the vital mission of all schools educating our youth

Voices of Native American Educators Sheila T. Gregory, 2013-06-06 Voices of Native American Indian Educators Integrating History Culture and Language to Improve Learning Outcomes for Native American Indian Students edited by Sheila T Gregory is a comprehensive resource that provides a vivid portrait of best practices for Native American students as experienced by Native American educators This book is based primarily on research studies both quantitative and qualitative that offer new practical strategies for teachers to improve the academic performance of Native American students All of the contributors in this book are Native American Indian educators who have experienced success in their teaching practices by using a variety of multidisciplinary approaches in their practice of teaching In this collection culture is considered to be constantly evolving and is described as something that can both be learned and unlearned Furthermore people who share the same culture do not always behave in the same ways The complexity of culture then is a tremendous challenge for many researchers who strive to quantitatively define the characteristics of a population rather than contextualize through culturally relevant pedagogy Voices of Native American Indian Educators seeks to fill this enormous gap in the literature by

providing both a variety of scholarly research on best practices and a generous list of references and other resources available to teachers on Native American Indian students **Out of Sane- Falling out of Life** Janie Belaire,2015-08-31
