**Stories of Grace** Lynn Rose Dunham, 2025-05-31 As a contented little church girl Lynn never pictured herself to be that woman in the grocery store aisle Yet gripping her shopping cart in one hand and juggling her hysterical son with the other life had become messy Hoping her child s erratic behaviour was nothing more than an extreme case of the terrible twos her denial eventually ushered her into survival mode And thus it was by the time her son was diagnosed with more labels and medications than she cared to hear she found herself on the path of the unexpected Today more than thirty years later Lynn s journey continues Navigating life through both humour and tears her desire is to encourage God s people to share their own narrative So kick off your shoes and grab a cup of coffee Together let s unpack our chapters and find that they re actually stories of grace Howbeit Jesus suffered him not but saith unto him Go home to your friends and tell them how great things the Lord hath done for thee and hath had compassion on thee Mark 5 19 Finding God in Autism Kathy

Medina, 2006-11-01 Finding no books with Biblical references to help her face the challenges of raising a child with special needs Kathy did intense research to bring back her hope Listening to the many preachers on TBN and doing Bible studies she

studied Scriptures to help her understand God's plan for her child's life. Doctors and teachers offered no hope and told her to brace herself for the long dark road she was now on. Raised in a Christian home and active in her local church, she knew in her heart that the God she serves is a God of mercy. Here are Scriptures to restore your hope, strengthen your faith, and show you that God has a plan for your child's life. Scriptures to promise that God is listening to your every prayer, that He is watching the work and efforts being done on behalf of your children. Scriptures that will empower you to be strong and steadfast, reminding you that with God, nothing is impossible.

**A Mother's Journey Through Autism, Redemption and Freedom** Juliana Clark, 2019-10-30. A Mother's Journey through Autism, Redemption and Freedom is a true story of a mother's struggle raising a child with Autism, her faith, and ultimately her Salvation. She was in no way prepared for her child to lose his voice and change in so many ways that she would barely be able to recognize him as her own. If you are a parent of a child with special needs, you may find hope, inspiration, and understanding of your own personal journey. Juliana is overwhelmed and brought to her knees by the four children the Lord has blessed her with. One child with Autism continues to test her to the very core of her being. She cries out to the Lord for help, and he sends help through one of her prior therapy patients, whom is terminally ill. The patient leads her on a spiritual journey to faith and trust in the Lord before his final breath. Her life begins to have meaning; she is alive for what feels like the first time. God is unveiling gifts from within her son with Autism that she never let herself believe were quite possible. God begins to show her strength and a love like she's never known on this extraordinary journey.
