Heidebrecht, 2014-03-10 A quick scan of any newsstand is enough to confirm the widespread preoccupation with technological change As a myriad of articles and advertisements demonstrate not only are we preoccupied with technology but we are bombarded with numerous reminders that the cutting edge is in constant motion Most often the underlying assumption of Christians is that we have no choice but to find ways to cope with the latest and greatest Indeed it is often assumed that the church has no choice but to find ways to cope with its new technological context This book does not make the same assumptions Building on the work of Mennonite theologian John Howard Yoder it argues that the practices of the church make it possible for Christians to conscientiously engage technology This happens when we recognize that marks of the church such as patience vulnerability and servanthood can put technological ideals such as speed control and efficiency in their proper place In the course of grappling with three examples of morally formative technologies automobiles genetically modified food and the Internet this book goes beyond Yoder's thought by emphasizing that the church also plays a crucial role in our moral formation Unstoppable Mark Hughes, 2023-09-07 SHORTLISTED IN THE INTERNATIONAL SPORTS BOOK OF THE YEAR CATEGORY AT THE 2024 SPORTS BOOK AWARDS WATERSTONES BEST BOOKS OF 2023 SPORT A definitive and intriguing biography of Max Verstappen Formula 1's superstar Lewis Hamilton's great rival and the three time winner of the World Drivers Championship No Hollywood scriptwriter could possibly have envisioned the breathless adrenaline pumping climax to the 2021 Formula 1 season On the very last lap of the final race of an unbelievably arduous and controversial season Red Bull's Max Verstappen nervelessly overtook the seven time World Champion Lewis Hamilton of Mercedes to clinch the first place that thrust the young prodigy to the narrowest of victories and to his first World Drivers title He followed up by taking the 2022 and 2023 titles as well Verstappen may only be 26 years of age but the Dutch motorsport sensation has an incredible record in F1 This young man has already left an indelible mark on the sport The son of F1 driver Jos Verstappen junior quickly stepped out of his father's shadow his youthful charisma ferocious speed fearless driving style and refusal to back down mark him out as a true champion And the phenomenal success of Netflix's Drive to Survive documentary series has elevated his worldwide popularity still further Widely respected motorsport writer and F1 insider Mark Hughes is perfectly placed to write the most
