The images in this book have been created from Nikki's original watercolor paintings. Color your way through a book filled with witches, mermaids, fairies, and more, and be amazed as they come to life when coloring over shades of grey. This is the Advanced Edition of the book that features lighter grayscale images. Click Nikki Burnette at the top of the product listing to see other available books. Features 20 Single-Sided Grayscale Images to Color. The Advanced Edition features lighter grayscale images that allow for more flexibility and color variety. 2 miniature testers of each image in the book to experiment with color schemes and try out your materials. 20 small colored images showing the artist's color choices. 4 pages of introduction text that explain the basics of grayscale coloring and offer tips, tricks, and techniques to use inside the book. Pages are formatted with full black borders that extend to the edge of the page to help create a clean line while coloring. The paper is smooth, 60 medium weight, and measures 8.5x11 with a slight satin finish due to the printing process. Please note: These are grayscale images, not traditional black and white line art coloring pages.
