Supernatural Bible Teaches Unseen Matters:

Supernatural Heiser, Michael S., 2015-11-10 Dr Michael S Heiser presents fifteen years of research on what the Bible really says about the unseen world of the supernatural unfiltered by tradition or by theological presuppositions Who were the sons of God Who were the Nephilim Where do angels fit into the supernatural hierarchy What relation does Jesus bear to the rest of the supernatural world Heiser tackles these questions and many more as he shines a light on the ancient context of Scripture After reading this book you may never read your Bible the same way again In *Supernatural* Heiser takes the core message from his recent best seller *The Unseen Realm* and presents it for the person in the pew He offers the same approach to reading and understanding Scripture but without all the extra footnotes and supporting information needed for the scholarly treatment We can't believe what we don't understand In *Supernatural* Michael Heiser helps us to do both It may open your eyes to the scripture in a new way John Ortberg author of *If You Want to Walk on Water You've Got to Get Out of the Boat*
