Surreal The Divine Trilogy Volume 3:

   Peter De Vries and Surrealism Dan Campion,1995 De Vries s style and narrative technique are often surrealistic and he mentions surrealism and surrealists in all but two of his twenty six books Yet in fifty years of commentary on De Vries scarcely any notice has been taken of these surrealist elements   *The Science Fiction of Poetics and the Avant-Garde Imagination* Michael Golston,2023-11-19 How the tropes of science fiction infuse and inform avant garde poetics and many other kindred arts This insightful playful monograph from Golston does exactly what it advertises modeling poetics based on how poetry and some parallel artistic endeavors has filtered through a century plus of science fiction This is not a book about science fiction in and of itself but it is a book about the resonances of science fiction tropes and ideas in poetic language The germ of Golston s project is a throwaway line in Robert Smithson s Entropy and the New Monuments about how cinema supplanted nature as inspiration for many of his fellow artists The movies give a ritual pattern to the lives of many artists and this induces a kind of low budget mysticism which keeps them in a perpetual trance Golston charts how the demotic appeal of sci fi much like that of the B movie cross pollinated into poetry and other branches of the avant garde Golston creates what he calls a regular Rube Goldberg machine of a critical apparatus drawing on Walter Benjamin Roman Jakobson and Gilles Deleuze He starts by acknowledging that per the important work of Darko Suvin to situate science fiction critically the genre is premised on cognitive estrangement But he is not interested in the specific nuts and bolts of science fiction as it exists but rather how science fiction has created a model not only for other poets but also for musicians and landscape artists Golston s critical lens moves around quite a bit but he begins with familiar enough subjects Edgar Rice Burroughs Mina Loy William S Burroughs From there he moves into more alien terrain Ed Dorn s long poem Gunslinger the discombobulated work of Clark Coolidge Sun Ra Ornette Coleman and Jimi Hendrix all come under consideration The result of Golston s restless rich scholarship is the first substantial monograph on science fiction and avant garde poetics using Russian Formalism Frankfurt School dialectics and Deleuzian theory to show how the avant garde inherently follows the parameters of sci fi in both theme and form   **Small Press Review** ,1983   *Robert Rauschenberg and Surrealism* Gavin Parkinson,2023-03-23 The art of Robert Rauschenberg 1925 2008 is usually viewed as quite distinct from Surrealism a movement which the artist himself displayed some hostility towards However Rauschenberg had a very positive reception among Surrealists particularly across the period 1959 69 In the face of Rauschenberg s avowals of his own literalism and insistence on his art as facts this book gathers generous evidence of the poetic metaphorical allusive associative and connotative dimensions of the artist s oeuvre as identified by Surrealists and thus extrapolates new readings from Rauschenberg s key works on that basis By viewing Rauschenberg s art against the expansion of the cultural influence of the United States in Europe in the period after the Second World War and the increasingly politicized activities of the Surrealists in the era of the Algerian War of Independence 1954 62 Robert Rauschenberg and Surrealism shows how poetic inference of the artist s work was turned towards political

interpretation By analysing Rauschenberg s art in the context of Surrealism and drawing from it new interpretations and perspectives this volume simultaneously situates the Surrealist movement in 1960s American art criticism and history

The Clique ,1979 *Dante in Conversation with Contemporary Theorists* Blaise Cirelli,2024-12-09 Dante s Divine Comedy appears on the reading list of almost every university s Humanities Studies department But often it is thought of as a relic from the past What if instead of considering the Divine Comedy as a historical artifact one engaged the text as a work pertinent to the moment Can we learn anything about our present situation by reading the Divine Comedy Blaise Cirelli brings the Divine Comedy to life by challenging readers to consider how contemporary theorists might question Dante about his work Where would Dante and the theorists agree and where might they disagree And which side might the reader of this text choose This book will both enrich our understanding of Dante s Divine Comedy and challenge us to think afresh about our own beliefs Who's who in American Art ,1990 Edgar Wind and Modern Art Ben Thomas,2020-12-10 This book presents the first comprehensive study of the philosopher and art historian Edgar Wind s critique of modern art The first student of Erwin Panofsky and a close associate of Aby Warburg Edgar Wind was unusual among the Warburgians for his sustained interest in modern art together with his support for contemporary artists This culminated in his respected and influential book Art and Anarchy 1963 which seemed like a departure from his usual scholarly work on the iconography of Renaissance art Based on extensive archival research and bringing to light previously unpublished lectures Edgar Wind and Modern Art reveals the extent and seriousness of Wind s thinking about modern art and how it was bound up with theories about art and knowledge that he had developed during the 1920s and 30s Wind s ideas are placed in the context of a closely connected international cultural milieu consisting of some of the leading artists and thinkers of the twentieth century In particular the book discusses in detail his friendships with three significant artists Pavel Tchelitchew Ben Shahn and R B Kitaj In the process the existence of an alternative to the prevailing formalist approach of Alfred Barr and Clement Greenberg to modern art based on the enduring importance of the symbol is revealed **Video Source Book** ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction **Forthcoming Books** Rose Arny,2001
