Overruled Emma Chase,2015-04-28 Emma Chase New York Times bestselling author of the Tangled series returns with the first installment of the Legal Briefs series A Washington DC defense attorney Stanton Shaw keeps his head cool his questions sharp and his arguments irrefutable They don t call him the Jury Charmer for nothing with his southern drawl disarming smile and captivating green eyes he s a hard man to say no to Men want to be him and women want to be thoroughly cross examined by him Stanton s a man with a plan And for a while life was going according to that plan Until the day he receives an invitation to the wedding of his high school sweetheart the mother of his beloved ten year old daughter Jenny is getting married to someone who isn t him That s definitely not part of the plan Sofia

Santos is a city raised no nonsense litigator who plans to become the most revered criminal defense attorney in the country. She doesn't have time for relationships or distractions. But when Stanton, her friend with mind blowing benefits, begs her for help, she finds herself out of her element, out of her depth, and obviously out of her mind. Because she agrees to go with him to The Middle Of Nowhere Mississippi to do all she can to help Stanton win back the woman he loves. Her head tells her she's crazy, and her heart says something else entirely. What happens when you mix a one stop light town, two professional arguers, a homecoming queen, four big brothers, some Jimmy Dean sausage, and a gun toting Nana? The Bourbon flows, passions rise, and even the best laid plans get overruled by the desires of the heart. *Royally Endowed* Emma Chase, 2017-08-14. Logan St. James is a smoldering sexy beast. Sure, he can be a little broody at times, but Ellie Hammond is willing to overlook that. Because have you seen him? Sexy As Hell! And Ellie is perky enough for both of them. For years, she's had a crush on the intense protective royal security guard, but she doesn't think he ever saw her—not really. To Logan, Ellie was just part of the job, a relative of the royal family he'd sworn to protect. Now, at 22 years old and fresh out of college, she's determined to put aside her X-rated dreams of pat downs and pillow talk and find a real life happily ever after. The Queen of Wessco encourages Ellie to follow in her sister's footsteps and settle down with a prince of her own. Or a duke, a marquis, a viscount—would also do nicely. But in the pursuit of a fairy tale ending, Ellie learns that the sweetest crushes can be the hardest to let go. Logan St. James grew up on the wrong side of the tracks in a family on the wrong side of the law. But these days, he covers his tattoos and scars with a respectable suit. He's handsome, loyal, brave, skilled with his hands and other body parts. Any woman would be proud to bring him home to her family. But there's only one woman he wants. For years, he's watched over her, protected her, held her hair back when she was sick, taught her how to throw a punch, and spot a liar. He dreams of her. Would lay down his life for her. But beautiful Ellie Hammond is off limits. Everybody knows the bodyguard rules: Never lose focus, never let them out of your sight, and never ever fall in love. *Casenote Legal Briefs* Norman S. Kermit L. Hall, 2005-05-19 The Supreme Court has continued to write constitutional history over the thirteen years since publication of the highly acclaimed first edition of *The Oxford Companion to the Supreme Court*. Two new justices have joined the high court more than 800 cases have been decided and a good deal of new scholarship has appeared on many of the topics treated in the Companion. Chief Justice William H. Rehnquist presided over the impeachment trial of President Bill Clinton and the Court as a whole played a decisive and controversial role in the outcome of the 2000 presidential election. Under Rehnquist's leadership a bare majority of the justices have rewritten significant areas of the law dealing with federalism, sovereign immunity and the commerce power. This new edition includes new entries on key cases and fully updated treatment of crucial areas of constitutional law such as abortion, freedom of religion, school desegregation, freedom of speech, voting rights, military tribunals and the rights of the accused. These developments make the second edition of this accessible and authoritative guide essential for judges, lawyers, academics, journalists and anyone interested in the impact of the Court's decisions on American society.
