EBK: Services Marketing: Integrating Customer Service Across the Firm 4e Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and using up to date and topical examples, the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes New content related to human resource strategies including coverage of the role of robots and chatbots for delivering customer focused services. New coverage on listening to customers through research, big data, netnography and monitoring user generated content. Increased technology, social media and digital coverage throughout the text including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies including Turkish Airlines, Volvo, EasyJet and McDonalds. Available with McGraw Hill's Connect, the well established online learning platform which features our award winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

Ticket touting Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2008-01-10. Surveys the whole ticket market, attitudes to secondary selling, the scale of the secondary market, legislation relevant to secondary selling and what the industries have done to tackle touting. The Committee agrees with the Department for Culture, Media and Sport that regulatory intervention should only be introduced as a last resort.

Customer Service for Hospitality and Tourism Simon Hudson, Louise Hudson, 2012-11-02. Customer service is of critical importance for the tourism and hospitality sector now more than ever before as customers are looking to increase value for money and are less forgiving of mediocre service. However, despite its importance, quality customer service is the exception rather than the norm in many parts of the world. *Customer Service for Hospitality and Tourism* is a unique text and vital to both students and practitioners as it explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice. In essence, it is the whys and hows of customer service. It is easy to read, very current and full of references to all the latest research from both academic and practitioner literature. Chapters cover

important topics such as the financial and behavioural consequences of customer service consumer trends influencing service developing and maintaining a service culture managing service encounters the importance of market research building and maintaining customer relationships providing customer service through the servicescape the impact of technology on customer service the importance of service recovery and promoting customer service internally and externally Key features include An At Your Service Spotlight at the beginning of each chapter focuses on the achievements of successful individuals related to the art of customer service Each chapter contains a Service Snapshot short real life cases to illustrate a particular concept or theoretical principle presented in the chapter Detailed international Case Studies which cover a variety of sectors organizations and regions designed to foster critical thinking the cases illustrate actual business scenarios that stress several concepts found in the chapter They analyze customer service in the U S South America South Africa Europe Russia Australia China Canada Korea and Dubai
