**And Come Day's End** Gabriel F.W. Koch, 2018-09-29 Michael McKaybees is a private investigator working in New York's five boroughs. He specializes in money crimes like insurance fraud with the occasional cheating spouse his partner's favorite since she thinks all cheaters should be flogged in public. Now however he has been forced to expand his investigative work to include homicide. Implicated in his best friend Lenny's death Michael finds himself entangled in a web carefully woven by someone who wants to destroy him and there's no doubt he's up to his neck in shit. Then there's his father Marlowe Black who has decided now is the right time to show up after an absence of more than three decades. Hell Michael didn't even know he was still alive. Marlowe's reputation as a combat hardened PI is well known among the City's criminal element making him a hated man. And he too is a suspect in Lenny's murder. When McKaybees discovers the body of Lenny's wife Jill Michael's childhood sweetheart hidden in his apartment murder becomes seriously personal and the need for vengeance demanding.

*Computer Gaming World*, 1993      *Defect* M. X., 2024-08-12 Many think that disability will not happen to them. Most are right. Then there are the rest of us. While most kids were learning how to read and write he still couldn't move his eyes. While most teenagers were navigating their first kiss he still couldn't shower by himself. While most adults were climbing the corporate ladder he still couldn't drive a car. I present to you Michael Everett a little boy born with a mental disability one that is completely invisible and intangible to its owner. A dramatic fictionalization of the author's life this novel explores Michael's existence via a series of interviews involving those closest to him including family members teachers psychologists coworkers bartenders and even a hypnotherapist. My goal in writing this book is to pull back the curtain on what life is like with a defective brain through the use of a narrative mixed with original poetry. It is an unfortunate reality that such people often do not have the ability, desire, or means to publish their lived experiences. I consider myself privileged to have the opportunity to share my life story in this way and I hope that by telling it I can help others like me.
