# Space Time And Resurrection

**Paul D. Molnar**

## **Space Time And Resurrection:**

**Space, Time and Resurrection** Thomas F. Torrance, 2018-12-13 In this sequel to Space Time and Incarnation Thomas F. Torrance sets out the biblical approach to the Resurrection in terms of the intrinsic significance of the resurrected one Jesus and demonstrates that the Resurrection is entirely consistent with who Jesus was and what he did. The Resurrection is thus taken realistically and treated as of the same nature in the integration of physical and spiritual existence as the death of Christ. All this is elucidated in the context of modern scientific thought in such a way as to show that far from being frightened by modern science into a compromise of the New Testament's message of the Resurrection of Jesus Christ in body it actually allows us to take its full measure. This classic volume from one of the premier English speaking theologians of the 20th century remains an important contribution to the field of systematic theology. For this Cornerstones edition the preface is written by Paul D. Molnar.

**Space, Time and Resurrection** Thomas F. Torrance, 2005-01 In an earlier work Space Time and Incarnation Torrance argued that the Incarnation is meaningless for us unless its relation with the actual structures of space and time can be clarified adequately. This he did with special emphasis upon space. This book is in part a sequel dealing with the Resurrection in relation to space and in particular time. Torrance attempts to set out the biblical approach to the Resurrection in terms of the intrinsic significance of the resurrected one Jesus and demonstrates that the Resurrection is entirely consistent with who Jesus was and what he did. The Resurrection is thus taken realistically and treated as of the same nature. In the integration of physical and spiritual existence as the death of Christ. But all this is elucidated in the context of modern scientific thought and questioning in such a way as to show that far from being frightened by modern science into a compromise of the New Testament message of the Resurrection of Jesus Christ in body it actually allows us to take its full measure.

**Space, Time, and Resurrection** Thomas Forsyth Torrance, 1976 The sequel to Space Time and Incarnation Professor Torrance attempts to set out the biblical approach to the Resurrection in terms of the intrinsic significance of the resurrected one Jesus and demonstrates that the Resurrection is entirely consistent with who Jesus was and what he did. The Resurrection is thus taken realistically and treated as of the same nature in the integration of physical and spiritual existence as the death of Christ. All this is elucidated in the context of modern scientific thought in such a way as to show that far from being frightened by modern science into a compromise of the NT message of the Resurrection of Jesus Christ in body it actually allows us to take its full measure.

**Space, Time and Resurrection** Thomas F. Torrance, [Thomas F. Torrance's Theology of the Ascension](#) Stavan Narendra John, 2025-05-29 The ascension is a crucial doctrine integrally related to the incarnation. When it is underemphasized it results in an impoverishment of our theology of Christ the church human beings and eschatology. T F. Torrance's theology offers a compelling vision and holistic doctrine of the ascension that notwithstanding its flaws deserves a careful and detailed examination. Torrance develops a holistic account of the ascension by considering the ontology spatiality and present ministry of the ascended Jesus. What results is a theological construction

that affirms the ascended body of Christ and understands the Lord to be currently serving as our human representative in a ministry of priestly intercession prophetic declaration and ascended kingship Torrance is able to do this without succumbing to literalism space travel demythologization metaphorical reading or Pelagianism human effort based sanctification and glorification This book interprets and then develops Torrance's theology of the ascension in critical dialogue with contemporary theological interlocutors Divine Freedom and the Doctrine of the Immanent Trinity Paul D. Molnar,2002

This is an essay in Christian dogmatics of a high order learned intellectually powerful and spiritually engaged it deserves to be widely read and discussed John Webster Lady Margaret Professor of Divinity University of Oxford

**The Book of Mormon** ,1904 *The Book of Mormons* ,1907 **The Book of Mormon** Orson Pratt,1881 **Book of Mormon Ready References** ,1898 The golden bible Martin Thomas Lamb,1887 **The Expository Times** ,1898 **Christ Ascended** Brian K. *The Faith of Christians* Denis Baly,Royal W. Rhodes,1984 Using simple straightforward language Dennis C Baly and Royal W Rhodes examine the basic tenets of the Christian faith the foundations of this faith in the Bible and the teaching of the early church and revelation in the modern world Their purpose is not to tell people what they ought to believe but to present for consideration and discussion what Christians have traditionally believed and to raise the question of whether traditional beliefs are still valid and if so in what sense they should be understood today The book is the result of a full year's work by the authors in close collaboration with twenty Kenyon College students of diverse religious backgrounds from back cover

## Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Space Time And Resurrection**

In a global inundated with screens and the cacophony of instantaneous connection, the profound energy and psychological resonance of verbal artistry frequently fade into obscurity, eclipsed by the continuous assault of noise and distractions. Yet, situated within the lyrical pages of **Space Time And Resurrection**, a charming work of fictional elegance that impels with natural thoughts, lies an unique trip waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that interesting opus courses visitors on a psychological odyssey, softly revealing the latent potential and profound influence embedded within the elaborate web of language. Within the heart-wrenching expanse with this evocative evaluation, we will embark upon an introspective exploration of the book is main styles, dissect its charming publishing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
